

Big Charter Night Set for City's First Lions Club

BELLEVILLE — The birth of a new service organization will take place in the City of Belleville Saturday, Oct. 12.

This is the day that a Charter will be presented to a new Lions Club — The Belleville Area Lions Club, reported to be the first in Belleville's history.

And to mark the occasion in

the history of the city, Mayor Royce E. Smith has issued a proclamation designating the week of Oct. 7-12 as Belleville Lions Week in the community.

An elaborate program of festivities, speeches, flag presentations and the welcoming of numerous Lions Clubs' representatives and area officials is scheduled at the club's initial birthday.

ceremonies will be held at Belleville High School cafeteria beginning at 7 p.m., James Egan, Charter Night president, announced.

The principal speaker for the event will be Municipal Judge David L. Golden of Highland Park, a member of the Lions organization and a past District Governor.

Charter Night Program chairman is C. 'Bob' Cook and Toastmaster is Charles H.

Lavery of Wayne, president of the Wayne Lions Club, Charter sponsoring club.

JUDGE GOLDEN, a member of the bench for 21 years, has been president of the Wayne County Municipal Judges Association, president of Michigan Municipal Judges Association and secretary and board member of the North American Judges Association. Representatives from 60

Lions Clubs, located in Wayne and Washtenaw Counties, are attending as well as government officials from city and Van Buren Township and adjacent communities.

Organizational work for the new Lions Club began last June and during the summer months, club initiators have been recruiting members. Charter membership now stands at 33 members, Egan reported.

On the program are: Fred Bockhouse of Wyandotte, present Lions District Governor, Past District Governor Len Ricketts of Livonia, who will present the Charter to the new club president James Egan.

Zone Chairman, Gene Henderson of Garden City will introduce Charter members.

THE AUXILIARY of Veterans of Foreign Wars Post

No. 4434 (Belleville Post) will present an American flag. Mrs. Douglas (Shirley) Cullin will present the flag.

A Canadian flag will be presented by officials of the St. Thomas Lions Club of St. Thomas, Ontario, Canada.

The program will also include a presentation of a year's membership for the club in the Detroit Metropolitan Council of Lions Clubs by

John Deadman, council president. Deputy Douglas Kanack of Inkster, deputy district governor will make the presentation of gifts.

CHARTER MEMBERS of the newest Lions Club are: From Belleville: Merle Barker, Allen R. Berlin, Charles R. Cook, Thomas Darling, (See LIONS page 2)

A PROCLAMATION FOR BELLEVILLE LIONS CLUB — Mayor Royce E. Smith (right) has issued a proclamation designating the week of Oct. 7-12 as Belleville Lions Week in the City of Belleville. Accepting the formal notification are C. 'Bob' Cook, chairman of Charter Night program (left) and James Egan, Charter Night President. The big event for the newly organized Lions Club will be held Oct. 12, at 7 p.m. at the Belleville High School's cafeteria.

FOR SUMPTER ROAD

Louis Toth Voices Criticism After Receiving Water Line Bids

BELLEVILLE — The Van Buren Township Board is expected to approve this week a bid of \$44,850 submitted for the construction of a water line on Sumpter Road.

The bid, lowest of three submitted to township administration on Sept. 24, was that of the Ackron Construction Company, 1045 West Huron River Drive, Van Buren Township, Louis A. Toth, township supervisor, reported.

submitted by Riteway Excavating Company of Romulus at \$49,400; and the North Line Construction Company, Inc., of 40990 Savage Road at \$57,654. The water line will be constructed on Sumpter Road from Spencer to Belleville city limits.

The Ackron firm's bid was sent to the Township Engineer, Morris Levine of Detroit, for recommendation.

Toth reported that the engineer had recommended acceptance of the low bid.

property owners who refused the Township easement priority two years ago when the project would have cost some \$22,000 less.

"I was a little disappointed on the bids received. I think they are too high. I have referred the low bid to the township engineer for his recommendation," Toth said, in commenting on the construction bids.

"Two years ago when the water line project was proposed, the cost to the township was \$21,500. Refusal on the part of Mrs. Julia Sawmiller of Sumpter Road along with two other property owners to give the Township a priority on a 25-foot easement

SEEK ARSONIST

Romulus Fireman Injured

ROMULUS — A volunteer Romulus Township fireman was injured last Saturday, Oct. 5, combating a house fire reported to have been started by an arsonist.

Taken to Wayne County General Hospital with seven broken ribs was Charles Orme, 46, of 16090 Hollywood.

Fire Chief Joseph Crova reported that an arsonist was responsible for a fire that started in a vacant house, located at Eureka and Wahman Roads, and owned by the state.

Fireman Orme while extinguishing an interior fire fell through an opened furnace grating in the floor into the basement.

The smoke-filled room preventing him from spotting the hole in the floor, Crova said.

It was the third fire at the brick house in several weeks. The first fire was the burning of three barns at the rear of the house followed few days later with a fire inside. And then one on Saturday that injured Orme.

Chief Crova also disclosed that a month ago fires were started in two other vacant homes in the township. One at Eureka and Vining Roads and the other at Eureka and Merriman Roads. Police have been notified and have joined the investigation.

BY CONGRESSMAN FORD

Vocational Education Act is Hailed

WASHINGTON, D.C. — Congressman William D. Ford (D - 15th District) this week hailed the passage of the Vocational Education Amendments of 1968 as the most important piece of education legislation passed by Congress this year.

Congressman Ford is a member of the House Education and Labor Committee and its General Education Subcommittee which piloted the bill through the House, and also served on the House-Senate Conference Committee which worked out the differences in the versions

of the bill passed by the two bodies.

The bill is aimed at making job preparation a major goal of the public schools. It authorizes \$3.1 billion to be spent over the next four years, by far the largest sum ever earmarked for vocational education in this country.

"THE MONEY called for in this legislation," Ford said, "will be used to strengthen and expand existing programs and develop new ones. Special emphasis will be placed on providing job skills for the children of low-income and working-men's families."

The new law also provides for part-time jobs for youths who need the earnings from such employment to continue their vocational training on a full-time basis. This will give ready access to vocational training for retaining which is of high quality, and is realistic in the light of actual or anticipated opportunities for gainful employment.

"I am pleased that this piece of legislation has been approved by Congress," Ford concluded. "It offers opportunities for better training and vastly extends the vocational educational program to aid more young people throughout the nation."

BELLEVILLE — The City of Belleville is all set to proceed with its long-awaited Main Street storm and sanitary sewer separation program.

Separation of the combined storm and sanitary sewer system that runs down the center of Main Street has been a major program of city administration and council members for some time, Mayor Smith disclosed.

An immediate start in accomplishing this program will not only aid many of the city's residents whose homes are subjected to flooded basements and sewage back-ups after very heavy storms but also will aid in cutting down pollution of Belleville Lake.

ONE OF THE final steps in procuring an initial federal grant of \$221,000 to be matched by the city, was taken last week. Actual start of the big project awaits receipt of federal monies.

An application for these funds along with required documents were dispatched by Mayor Smith last week to the Chicago office of the U.S. Department of Housing and Urban Development.

The federal government has already granted a free interest loan of \$37,000 for planning and engineering survey. This loan doesn't have to be paid until special assessment bonds are issued to reimburse the government and pay for the city's share of the project.

The firm of Brender and

Brender of Wayne, engineering consultants, have completed their work. And all is set to go pending receipt of government grant for labor and materials, Mayor Smith and council reported.

AFTER EVERY heavy rain, Belleville sewers back up and three overflow basins empty into Belleville Lake. From 30 to 40 homeowners complained about sewer back-ups into their homes after nearly every rain, Mayor Smith said.

The project, when undertaken, will not only separate the combined storm and sanitary sewer but also provides storm drainage for the acreage along West Columbia Street (no storm sewers at present) and the Belleville High School on West Columbia.

The combination sewer runs down the whole of Main Street from Five Points down to the lake and east and west of Columbia Street.

Mayor Smith, who has made

Wayne Federal Selects Schumm

WAYNE — George Schumm, a long-time resident of Wayne and manager of Technical Services and Publications for Autolite Division of Ford Motor Company, has been appointed a director of Wayne Federal Savings and Loan Association, it was announced by A.G. Marriott Jr., Wayne Federal president.

Schumm, whose appointment is effective immediately, will fill a vacancy created by the retirement of Harold Schleicher, of Belleville. Marriott noted that Schumm, with his long record of service to the Wayne community, will make a valuable contribution to the Association which is dedicated to community service in the areas of thrift and home ownership.

A graduate of Alma College and the University of Indiana, Schumm has served on the Wayne School Board, the Zoning Appeals Board, and the Executive committee of the Wayne County YMCA. He was chairman of the Wayne YMCA for three years, trustee of the First Congregational Church for six years, and deacon of the

church for another six years. He is also past president of the Monroe PTA and served on the Boy Scouts Executive Committee for 10 years.

Ford Motor Company has honored him with its "Good

Outdoor Group Here Appoints Board to Seek Building Site

BY ED SHUMBERA

BELLEVILLE — The Board of Directors of the Huron Valley Conservation Association, held their monthly meeting Monday, Sept. 30, at the Lodge Lanes meeting room.

Directors Nick Lewis, Jack Begin, Ken Reed, and Gordon Blaire were appointed as a four-man Building Committee to investigate the possibilities of available land sites that the Association may purchase for the purpose of building a Club-House building.

Acreage needed by the association must be large enough to also include an archery and shooting range.

The Board of Directors also mapped out the ground work for the coming year. There are some good things coming, so do not forget to attend the membership meeting next Monday, Oct. 14, at Rogalle's meeting room, at 7:30 p.m. sharp. BE THERE!

THE SMALL GAME season is nearly here and you hunters will see the so-familiar signs — No Hunting — Keep Out — No Trespassing. Do you know why?

Lack of consideration given to the land owners' crops, fences, or shooting too close to livestock or buildings is responsible.

How many of you hunters have thanked the land owner by going back after hunting season or in the spring of the year and asking the owner if you could help him by doing some small jobs on his land that he cannot find the time himself to do, or even send him

a thank you card for letting you hunt on his land.

A LOT OF undoing is needed to make the public put its trust in a hunter again on account of a thoughtless hunter. So see what you can do, to make better public relations when you go hunting. There are four new state forest campgrounds opened to provide more places for hunters to stay. The location are: Tubbs

Lake Campground in Mecosta County, with 21 campsites; the CCC Bridge Campground on the Manistee River in Kalkaska County, with 25 campsites; the Graves Crossing Campground on the Jordan River in Antrim County, with 12 campsites; and the Ess Lake Campground in Montmorency County, with 25 campsites.

Local Students Make Recreation Requests

BELLEVILLE — A local theater, an indoor-outdoor pool and a pavilion for the recreational enjoyment of residents of both Belleville and Van Buren Township areas were among some of the suggestions submitted to the Van Buren Township Recreation Commission last week.

Suggestions are being requested by the Recreation Commission for study and consideration in the preparation of a proposed year-round recreational program for the young and old of both sexes residing in the Belleville and Van Buren Township communities, Raymond Florian, Commission chairman, reported.

The committee has initiated a campaign to get voter approval of a one-mill assessment to finance recreational programs and events on a year-round basis.

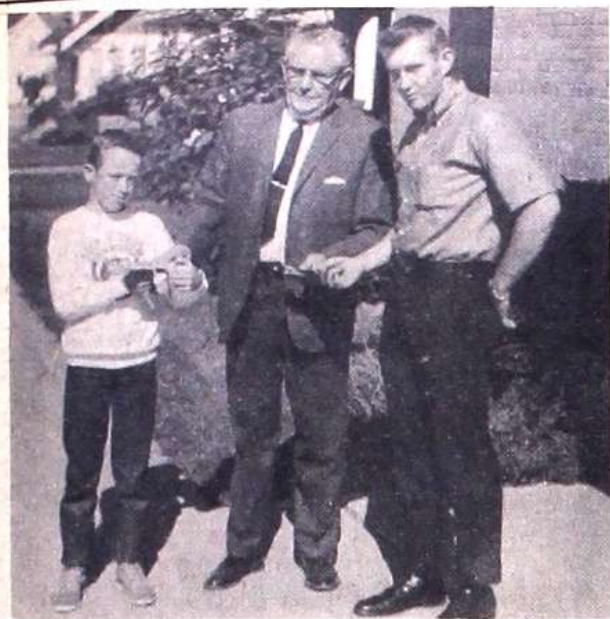

THE MILLAGE REQUEST will be on the Nov. 5 ballot.

The city of Belleville has joined the campaign by asking for an Advisory Vote on the mill levy plea from city residents on Nov. 5.

The above suggestions were submitted by the Senior High School Student Class of Belleville United Methodist Church.

"We would like to see an indoor-outdoor pool. Also a pavilion. This could include a recreation hall with ping-pong tables. Probably not a part of this recreation project. However, many of us would like a local theater," the students stated in their request.

A suggestion box for the submission of ideas and recommendations for committee perusal will be at Bob's Barber Shop, located at 40 Fifth Street, this week.

WORLD SERIES TICKET WINNERS — Police Chief Irwin W. Stech of Belleville (center) presents two sets of World Series tickets to the winners following Foodville Super Market's Grand Opening prize presentations. Left of Chief Stech is Ronnie Sykes 9½, of 50020 Bog Road; and Stanley Sakewski, of 20790 Wilmot Road, on home leave from military service. The World Series tickets were among 100 prizes awarded to winners by Mr. and Mrs. Al Rizzo, owners of Foodville.

Offers Record on Tigers

"The Year of the Tiger '68" — the official Detroit Tiger record album — is now available as a public service at all 98 offices of National Bank of Detroit. In 12 inch stereo, the record sells for \$2, which covers the cost of production.

Exciting highlights of the history-making 1968 pennant race are recaptured in

narrations by Tiger broadcasters Ernie Harwell and Ray Lane, together with player interviews and musical tributes to the champion Tigers.

According to a bank spokesman, more than 4,000 copies of the album were sold within the first few hours after being placed on sale Tuesday. The edition is limited to 65,000 records.

Huron's Water Bond Issue Bid Approved

NEW BOSTON — The John Levine Company of Chicago, bond and investment firm, was the successful bidder in the purchase of \$1,500,000 water bond issue George Angel, supervisor of Huron Township, has announced.

The Chicago firm submitted an interest bid of 5.511. It was the lowest of four received by the Township Board on deadline day, Oct. 3.

With the sale of the water bonds, the township's construction of water line extensions can now proceed.

In September of this year, the Township Board approved the hiring of the Canzano Construction Company of Dearborn Heights as construction contractor for the additional water line extensions.

This company's bid was the lowest for the two projects programmed. The bids were \$512,987 and \$635,465.

Angel reported that the laying of the water line

extensions is expected to start within three weeks as soon as pipe is ordered and delivered.

The present program will when completed bring the Township's water line connection to 95 per cent of the township.

Area Church Thanked by Troop 1071

BELLEVILLE — Scout Troop 1071 wishes to publicly thank the United Methodist Church of Belleville for faithfully providing a meeting place for the Troop for a number of years now.

We would like to extend an invitation to members of the church who are interested in the Troop to visit any of our meetings which are held every Thursday evening from 7:30 to 9 p.m.

Also, any boy who would like to join may do so at any of the meetings.

Anyone, young or old, who has a skill that they would like to share with Scouts may do so by contacting A. J. Featheringill at 697-7829 or Isaac Benefield at 697-7383. The Troop encourages every boy who wants to be a Scout to SIGN UP and urges all interested adults to STEP UP and share with us your talents.

Sullens Night

BELLEVILLE — An "Arthur Sullens Night" will be held at the United Methodist Church of Belleville on Nov. 6, Rev. Allen B. Rice II, pastor, announced.

The Church Board voted unanimously recently to thank Arthur Sullens for his many years of service as Building Superintendent by holding an Appreciation Night. A church-wide pot-luck dinner will be held at 6:30 p.m., followed by a program yet to be announced.

Census To Survey School Data

Information to determine how many children and adults under 35 are enrolled either in school or college will be sought here the week of Oct. 14, Director Hobert A. Yerkey of the Regional Office of the U.S. Bureau of the Census in Detroit has announced.

Questions are asked of householders each year at this time to update national figures on enrollment in public private and special schools; full- and part-time college attendance; the number of high school graduates and dropouts; and the last year of regular schooling for non-high school graduates.

The survey will be taken simultaneously throughout the U.S. from a representative sample of the nation's households. All answers are confidential.

Results of Citizens District Council Election is Announced

ROMULUS — The election of members to Romulus Township's Citizens District Council was announced Monday by George H. Wilhelm, director of Romulus Urban Renewal Department.

Fifty area residents sought membership on the District Council in the election that was held at the Beverly Elementary School, Sept. 30. The 25 highest were elected. They are:

Rev. Clarence Darden, 6202 Howe; James McCain, 6337 Columbus; Mack Paige, 6036 Carnegie; Oliver Warren, 6236 Carnegie.

Steve Grzelak, 34229 Van Born; Rev. Lovell Wooden, 6375 Colorado; Margaret Wilson, 33805 Avalon; Lester Hart, 34011 Beverly; Rev. Robert Alexander, 803 Dorset; Zeffie Beaman, 34023 Beverly; Eugene Rivest, 6002 Essex; Geraldine Sanders, 5874 Washington; Leonard Sanders, 5874 Washington; Dorothy Flenix, 6031 S. Wayne; Perry C. Gray, 35276 Beverly; Stonewall Whitworth, 35872 Beverly; Robert Washington, 36012 Beverly; Marie Byrd, 6299 Hunt.

Lois Hill, 35800 Park Place; Ella Warren, 6416 S. Wayne;

Thomas J. Coleman, 35854 Vinewood; Major Green, 35993 Vinewood; John Henderson, 6938 Arlene Court; Edward Parham, 6889 S. Wayne; and Rev. Mack Taylor, 6943 S. Wayne.

THERE WERE 120 ballots cast at the election.

Those named to the Council were persons who, in the main, been most active on the current Wayne-Beverly Urban Renewal Planning Committee, a group of residents residing in the present Urban Renewal Project now underway and who have been assisting in UR programming.

Citizens District Councils are now required under a recent enacted state law (June, 1968). This act provides for the designation of District Areas embracing urban renewal projects and/or Development Areas for the elimination slums and rehabilitation of blighted areas.

THE LAW also requires that Citizens District Councils be established consisting of residents in the District Areas with the responsibility to work with the local UR Department and with authority to request

joint hearings with the Township Board and make recommendations regarding District's Urban Renewal projects, Wilhelm stated.

Belleville Kiwanis Celebrates Birthday

BELLEVILLE — The Belleville Kiwanis Club celebrated its 22nd Birthday Oct. 1.

The happy occasion was held at the Regal's Lounge with some 70 members, their wives and guests in attendance.

The birthday anniversary was highlighted by Annual Ladies Night.

Guest speaker at the festivities was Red Jones, former American League umpire and noted television baseball broadcaster.

He was introduced by Kiwanian Tom Hopka. Jones is currently presenting World Series pre-game warmups.

The Belleville Kiwanis Club received its charter on June 30, 1946. There are only two charter members remaining and one of them Edward Gordon participated in the evening's program. Merle Touse is the other.

The Ypsilanti Kiwanis Club was the sponsoring club when Belleville received its charter.

Present officers of the Belleville Kiwanis Club are:

Kenneth Daniels, president; Edward Stoelton, first-vice-president; Archie Gauthier, second vice-president; Olin Wyman, treasurer; James Fitch, secretary.

Mrs. Linn Is Elected Secretary

BELLEVILLE — Mrs. Janet Linn, business teacher at the Belleville High School was elected secretary and treasurer of the Southeastern Michigan Co-ordinators Association, it was announced.

The association with 70 members in the southeastern area of Michigan sponsors Co-op Training Program (COT) at high schools. Mrs. Linn is part of such programs at Belleville High.

Other officers elected are: Mrs. Bonnie J. Dittler of Ypsilanti High, vice-president; and James Bradley of Saline, president.

The association meets monthly with sessions alternating with member areas.

Theater Group Schedules Meet

BELLEVILLE — The Belleville Community Theater will hold one of its organizational meetings tomorrow, Thursday, Oct. 10 in the home of Mrs. Thurston Jahr, 45281 Harmony Lane beginning at 8 p.m. James Lighthouse, director, announced.

At the meeting an announcement on season's program will be made along with setting up for committees. Try-out sessions for planned one-act plays under consideration will be scheduled, Lighthouse said.

Boyle Attacks Democratic Party's Policies on Welfare and Poverty

WESTLAND — John F. Boyle, Republican candidate for Congress, 15th Congressional District, has attacked incumbent William Ford and the Democratic party because of its policies on urban affairs and poverty, and offered his own alternative solutions:

"The philosophy of the national Democratic administration apparently calls for unlimited spending with the vague hope that some constructive action will result. You wouldn't think of running your business or home that way. If you did, you would be foolish.

"Welfare and relief rolls are increasing. Welfare has become a way of life - in some cases reaching to the third generation.

"The increase in public welfare costs is astounding. Back in 1960 there were 7.1 million U.S. citizens drawing welfare at a cost of \$3.8 billion.

After eight years of the Great Society there are now 2.4 million more people on relief at a cost of \$9.7 billion. This is a 25 percent increase in people, but a 255 percent increase in cost. This increase occurred at the same time additional billions were being spent on other poverty programs.

"The costs of administering the Great Society has been almost unbelievable. In city after city - even in Detroit, as well as in Newark, New York, and St. Louis, just to name a few - there have been reports of waste and mismanagement."

BOYLE OUTLINED his approach. "Actually these costs don't have to be this high. The big city Democratic bosses have used the poverty program as a method of providing political patronage. In St. Louis, the anti-poverty agency had 86 employees that were paid over \$10,000 a year, and this included a director and an assistant director, both

of whom received more than \$21,000 annually.

"Actually a lot of what the government is doing now could and should be taken over by private industry. Industry is well-prepared for job-training since the buildings, equipment and skilled teachers are there now and need not be duplicated, thus cutting the cost to a fraction of the present \$9,000 national yearly average of the government job corp program. When the training is completed, the company would receive tax credits for its costs and the trainee a job with the company. I firmly believe that a good job and the dignity that goes with it represents the first step in lifting the poverty problem.

"Another recommendation which would lower welfare costs is equalizing welfare benefits across the country based upon a cost of living index. This would eliminate the problem created when poor people from other states, unskilled in urban living, pour into Detroit and other large cities because of the higher welfare payments available.

"NOT ONLY do the southern states escape their responsibility by deliberately setting low welfare payments, but they in effect drive the poor people to highly industrialized states such as Michigan, causing over-population in our already over-crowded city core areas.

"Coupled with this equalizing of welfare costs, I would include regional training programs, functioning through private industry, to train rural workers and even attract poor people from the inner city to return to their home communities.

"While these programs are not the whole answer to the welfare problem, I suggest that the present, traditional approach has failed miserably and a return to the free enterprise system which has patiently paid the cost of ever increasing welfare costs for 30 years can lead us out of this dilemma.

Let's give what has made this country great, a real chance to correct one of its most serious problems."

REACT Committee Requests Consideration on Vote Issues

ROMULUS — The "REACT-KEEP ROMULUS INTACT" Committee, a non-partisan group of Romulus residents urging approval of Cityhood for Romulus, has reported there is still sufficient time for township voters to consider the upcoming election on city incorporation.

Committee officials disclosed that apathy and ignorance of the election exists in some areas of the Township. They submitted the following series of questions for voter study:

How many voters can answer the following questions:

• When last, or ever, have you attended a Township Board Meeting, School Board Meeting, or a Meeting of Your Political Club?

• Do you know what will be on the November Ballot, Candidates and Issues, National, State, County and Local?

• Have you made any special effort to learn about the issues and Candidates?

• What is the difference

between Township Rule and City Rule?

• Why do you support, or do not support, the City Issue?

• How well do you know the candidates you will vote for?

• How well are you informed about the candidates you will not vote for?

• Do you know where and how to get the information you need to decide your vote?

• Will you make an effort to find the answers to the above questions if you don't know?

• Do you take a list of the candidates and issues for whom you wish to vote to the polls?

• IF YOU cannot answer the above questions, you only have four weeks left in which to study up on these issues and candidates.

Too many complain, about the way our government, both local and national, is being run. Have these people earned the right to complain?

For instance, in the recent August Primary, only 41 percent of the registered voters

in Romulus decided what candidates would appear on the November ballot.

At a recent meeting of a political club, with a membership of over 500, approximately 45 members decided whether or not to support the City Issue and which nine candidates they would support for the Charter Commission.

"WE CANNOT help but wonder if the results of these two examples would have been different had the majority voted," the committee said.

"There is no reason for anyone to be uninformed. It might mean reading something other than the sports page or the ladies section of the newspaper, or giving up a few of your favorite TV programs.

"But isn't your country, state, county and township worth a little of your thought and attention?"

"Will you be ready to vote on Nov. 5?" officials asked.

Fire Prevention
Is A Must For All

Last year in the United States, 12,200 persons lost their lives in fires. Thousands more were injured. Property damage resulting from fire reached a staggering \$1.7 billion. With care, a huge portion of this shameful waste could have been avoided.

During National Fire Prevention Week (Oct. 6-12), all of us will be asked to redouble our efforts to cut down on this enormous toll of life, limb and property; to check our homes and places of business against hazards which might at some unexpected moment burn us out and threaten our very persons; to remind ourselves that fires can indeed be avoided through the exercise of care.

Fire Prevention Week is "not just another crusade to be taken lightly." It was conceived, and is repeated at this time every year, as a deadly serious reminder to all Americans that fire prevention is a relatively simple task, but one which must be kept in mind at all times.

HOW SIMPLE it is, for example, to put that cigarette — or match — out before discarding it, rather than tossing it carelessly away, perhaps to kindle a fire with consequences you will never forget.

How simple to clean out that kitchen stove, rather than taking the risk of badly charred room or gutted home which can be the result of an accumulation of grease.

Fire Prevention Week is a time to think of these things; to throw out old newspapers and other unneeded collections of combustible materials; to check — or have a serviceman check — electrical appliances and wiring and heating equipment.

It is a time to pledge ourselves to making fire prevention a year-round job.

That is the message Fire Prevention Week seeks to convey.

Can any of us afford not to listen — and act?

On Crime and
On Welfare

Quite frequently refugees from nations where the people are subjected to political oppression quickly become loyal supporters of the U.S. system of government and private enterprise. Another source of support has now been reported, which is encouraging.

About 12 per cent of Peace Corps volunteers returning to this country head straight for business. It is said that their experience with American business firms in underdeveloped nations of the world has impressed them favorably.

These volunteers end up wanting very much to be part of such organizations, and they are coming back to go into banking, into manufacturing, into technical services training.

According to the report, the Peace Corps is now feeding into industry and business about as many recruits as there are students with business majors graduating from American colleges.

The Peace Corps, in the opinion of many, has been one of the more worthy programs. Its members have helped promote international understanding and the well-being of underdeveloped areas. The fact that they return to the U.S. with a greater appreciation of its institutions is a dividend that may have a telling effect on the future of our nation.

TRI-COUNTY CHECK

Illegitimate Birth Survey by UF
Shows Surprising Answers

What effect has the "new morality" had on Greater Detroit's illegitimacy rate? Are maternity homes passe' in our tri-county area? Do more city girls get in "trouble" than suburban girls?

Some surprising answers turned up in a recent United Foundation survey of the three Torch Drive services which deal exclusively with the problems of unwed mothers in Wayne, Oakland and Macomb Counties.

In interviews with the directors of Crittenton Maternity Home, William Booth Memorial Hospital and Marillac Hall, UF sought to discover significant trends in illegitimate births in this area.

FROM THE thousands of detailed cases handled by the three homes since 1965, a "composite girl" emerged as the picture of an average unwed mother in Greater Detroit. She is:

- Sixteen years of age.
- From a home in which both mother and father are present, as well as three other children.
- As likely to be reared in the suburbs as in the city.
- From a family with an average yearly income of \$9,000.
- Neither promiscuous nor a discipline problem, though slightly below average in school grades.

"Rarely do we get a girl who is not certain of the identity of the baby's father" says Mrs. Betty Diehl, Crittenton's director.

"And there are certainly no indications that economics are to blame. We work with executives' daughters and welfare cases alike. They come from all racial and religious backgrounds."

THE SUPPOSED influences of the contraceptive pill, more sex education in the schools and an increasing sophistication among teenagers are not apparent in the study. All three Torch Drive facilities report that the large majority of their cases are girls who were quite unprepared for what happened to them.

"Most of the girls here honestly intended to marry the boy in question... and didn't plan pre-marital relations," said Salvation Army Maj. Agnes Voeller, director of William Booth Memorial Hospital.

"I don't think many girls in this situation foresee any need of the pill until it's too late." The length of stay in all three homes ranges from 2 to 5 months. This is considerably less than in past years, when maternity homes were used primarily as hiding places for the out-of-wedlock pregnancy.

MRS. DIEHL finds this encouraging. Citing the counselling services, adoption planning, prenatal care and continuation of education she sees a new role for the maternity home in helping to prevent future mistakes, and helping both the girl and her family to adjust to their situation.

Sister Oliva, executive director of Marillac Hall, agrees.

"We are heartened by the number of girls who leave here matured by their experience but without bitterness in their hearts," she said.

"In most cases, the girl becomes much closer to her family, better able to communicate with them, and newly convinced of her parents' love and understanding."

THE THREE Homes report that an average of less than 9% of the girls decide to keep their babies.

Most of the girls who keep

their babies are Negro. Of them, most are from minority groups. The reason for this, according to caseworkers, is that adoption is much more difficult to arrange for black babies.

White girls, on the other hand, seldom keep the child

unless pressured to do so by the girl's parents. This is particularly difficult for the younger unwed mothers, authorities say, because it complicates the relationship between mother, baby and grandparents in rearing the child.

THE BEAUTIES OF FALL

September, with her breezes cool,
And children going back to school,
Has come to usher in the fall,
The autumn, loveliest time of all.

October's bright leaves paint the ground,
And harvest apples, red and round,
Are polished to their brightest sheen,
To celebrate gay Halloween.

With nuts a-falling in November,
And Thanksgiving to remember,
Then in December, thanks for all
The beauties God brings in the fall.

'An Easy Way to Do Math'

BY WILLIAM LLOYD
Math Teacher

Z ooooo! Swoosh! What was that? A bird? A plane! No! It's modern man! SPEED! SPEED! SPEED! How many times have you said, I didn't have time... maybe I can fit it in next... etc., etc.

If a political party had a platform which promised to change the 24-hour day for a longer one as well as to keep ol' Sol out for a few more hours, it would probably sweep the National Election. Practical, no, of course.

Man has solved many of his problems with old father time with the aid of machines, automobiles, airplanes, typewriters, shorthand, calculators, computers, pre-cooked foods, etc., etc.

But, how about numbers that are used every day? How much time do you WASTE every day in your business, or as a family man, or as a housewife, on things that require simple addition and simple multiplication? Probably more than you actually realize. Why? Maybe you can't afford an adding machine. I can't. Maybe your

business is too small to invest in an adding machine.

WHAT ABOUT the old saying that causes man to daydream, "There must be an easier way."

There is! The Trachtenberg Speed System of Basic Mathematics.

The Trachtenberg system is one of the most revolutionary developments that has occurred in the world of mathematics in the last hundred years. It combines spectacular speed and accuracy with ease of accomplishment.

The seventh grade students of William Lloyd's classes at the Belleville Junior High School, Sections 7A, 7F, and 7G, are learning the basics of speed mathematics.

All the students have responded very well,

academically increasing their individual speed and accuracy by tremendous streaks, while increasing their knowledge of numbers. The classes have responded so well that for all intensive purposes the heterogeneous classes have by their own efforts converted to homogeneous classes (which a teacher finds an idealistic concept in Public School Education).

May I point out that this system is for all ages! It is easy. There is no complicated and elaborate computations, and mathematics becomes delightfully easy.

(Editor's note: This is the first of a series on The Trachtenberg Speed System of Basic Mathematics by William Lloyd, teacher at Belleville Junior High School.)

Wayne County's Proposed Budget Hits New Record

A recommended Wayne county budget of \$41,696,520 is before the county Board of Supervisors for consideration. The budget, as recommended by the County Board of Auditors, is the highest on record — \$14,536,195 above the current year's appropriations of \$27,160,325.

"In general, the level of service programs budgeted for 1968-1969 has been slightly improved and expanded to meet the needs of the community more adequately," the Board of Auditors stated in a budget message.

The budget increase reflects anticipated higher revenues, the Auditors stated. The

county tax rate remains at the current \$7.07 per \$1,000 of equalized valuation.

THE BUDGET anticipates a \$3,822,015 increase in property tax revenues, reflecting new construction and rising land values in the county; a \$2,655,000 increase in the county's share of state income tax revenue; and a \$10,844,815 increase in revenues from grants and service charges and fees for county services.

The additional revenue will be used to finance nearly

\$3.5-million in pay increases provided in union contracts negotiated earlier this year; \$2.3-million in program improvements and pay increases at Wayne County General Hospital; \$4.1-million in welfare increases and higher costs of care for county patients in non-county hospitals; \$1.1-million for increased child care costs; \$1.4-million for public health program improvements; and \$1-million for additional Circuit Court probation officers and assistant prosecuting attorneys; and

\$334,900 for improvements at the Jail and the Youth Home.

The Board of Supervisors received the budget at its Sept. 30 meeting. The Supervisors Ways and Means Committee will hold daily budget hearings with county department heads for three weeks and then recommend a final budget for adoption by the board.

objected to the raises.

Silver invoked a board rule under which a proposed appropriation is tabled automatically until the next meeting if a supervisor objects.

Silver said he was opposed to the pay increases and would try to muster enough support to defeat them at the next meeting, set for Oct. 28.

The proposed pay hikes, recommended by a majority of the Ways and Means Committee, would increase the annual salaries of nine elected officials and the deputies of six of them, by about 15 percent.

Detroit Councilman Mel Ravitz, Ways and Means chairman, said he, too, was opposed to the size of some of the proposed salary increases.

THE PROPOSED raises are as follows:

Three County Auditors — \$20,000 to \$23,000; County Clerk — \$23,000 to \$26,500; Drain Commissioner — \$20,000 to \$23,000; Prosecuting Attorney — \$29,500 to \$34,000; Register of Deeds — \$20,000 to \$23,000; Sheriff — \$21,000 to \$27,000; Treasurer —

\$20,000 to \$23,000; Deputy County Clerk — \$18,000 to \$20,700; Deputy Drain Commissioner — \$18,000 to \$20,700; Deputy Register of Deeds — \$18,000 to \$20,700; Undersheriff & Chief Deputy — \$16,000 to \$23,000; Deputy Treasurer — \$18,000 to \$20,700; Chief Asst. Prosecuting Attorney — \$25,500 to \$29,000.

In addition, the package recommends increasing the nine Common Pleas Court Judges from \$25,000 to \$27,000, and the four Circuit Court commissioners, whose

posts will be abolished Dec. 31, from \$18,000 to \$20,000. The package also would hike the compensation of members of various county boards and commissioners from \$15 to \$20 per meeting.

Willis H. Hall, chairman of a special committee which prepared the pay package, said the raises were justified because recent pay hikes have narrowed the gap between elected department heads and their subordinates, because of the rising cost of living, and because of the increasing responsibilities of the officials.

Peace Corps Council Sets State-wide Meet

ANN ARBOR — The Michigan Peace Corps Council has announced the first

state-wide conference for Returned Volunteers to be held in Ann Arbor on Oct. 18, 19 and 20.

Over 300 Peace Corps Volunteers who have seen service in nearly 50 countries around the world and who now reside in Michigan are expected to attend.

The Deputy Director of the Peace Corps, Dr. Brent Ashabranner, will give the main address on Saturday evening in the Michigan League Ballroom. His speech will focus on the role of the Returned Volunteer in American society.

Representatives from business and industry, labor, education, and the social services have agreed to serve as panelists and moderators in the areas of teacher certification, higher education, community action, and business opportunities in Michigan.

The Michigan Peace Corps Council was inaugurated in 1967 by Governor Romney as an adjunct of the Human Resources Council.

ALL MEMBERS of the Council are appointed by the Governor and include state government administrators, private enterprise executives, teachers, and social workers, as well as a number of Returned Volunteers with a wide range of overseas experience.

In its initial year of operation, the Council funded through a massive drive construction of nearly 50 primary schools in the East African country of Tanzania.

This year, plans call for the establishment of a cultural resources collection consisting of costumes, artifacts, and slides to be used to augment the speakers program manned by Volunteers. This program is designed to aid social studies teachers in the state in their presentation of course material about non-Western lands.

Anyone desiring information about the Council, or to register for the October conference is advised to contact Henry Malin at the International Center of the University of Michigan, 764-9310.

Easter Seal Schedules Annual Meet

INKSTER — The Annual Meeting of the Easter Seal Society of Western Wayne County will be held at the Easter Seal Center 2545 Hyde Park Drive, on Monday, Oct. 14, at 7:30 p.m. The regular monthly meeting of the Board of Directors will follow.

All friends of crippled children and adults are invited to both meetings.

Those present may participate in the discussion the society's service program, to help select members of the Board of Directors and to share in the sociability of the evening.

District Council Election

CASTING BALLOTS — Two residents of the Citizens District Council which embraces Romulus Township's Urban Renewal Project prepare to cast their vote for membership on the council. Left to right are Mrs. Annie Williams and Jimmie Raspberry, member of the Romulus Township Board. Twenty five area residents are to be elected.

CANDIDATES WAIT RESULTS — A few of the 50 candidates running for the Citizens District Council election held Sept. 30. Left to right are: Charles Zazula, Steve Grzelak, Harold Dugas and A. Noseworthy. The election was at the Beverly School, Romulus. 120 ballots were cast by residents living in the District embracing the UR Project.

BERMUDA HONEYMOON — An island in the sun provided the romantic setting for newlyweds, Mr. and Mrs. Edward Zaborowski, who spent their honeymoon at the luxurious Castle Harbour Hotel in the British Colony of Bermuda. The bride is the former Dawn Gielinski, daughter of Mr. and Mrs. William Gielinski, of Ellen street, Belleville, and her husband is the son of Mr. and Mrs. Edward Zaborowski, of Lake Pointe Pass, Belleville. The couple returned to Michigan October 1, and are now making their home in Taylor. The bridegroom is employed by the Ford Motor Company.

All Around The Town...

WITH LEE

HOME FROM EUROPE

DR. AND MRS. Ronald Sierota, of Quirk road, were in Dearborn last Monday evening, September 30, to co-host a welcome home dinner for Jan's mother and dad, Dr. and Mrs. John Kadlubowski, who were flying home after a month-long vacation in Europe. The John Hands, of Dearborn Heights, the couple's other daughter and son-in-law, also had a hand in the festivities, as did the Doctors Jack and Pat Hill, from Albion; Mrs. Dana Miller, of Dearborn, and Mrs. Kadlubowski's 82-year old father, Lucius Groncy, also a Dearbornite.

The travelers made the trip abroad especially to attend the International Dental Convention in Bulgaria but also spent time with relatives in Liverpool, England, as well as with the Doctor's two nieces, one a dentist and the other a psychiatrist, in Warsaw, Poland. They also traveled to Vienna and other cities in Austria.

One of the big thrills of having a grandmother return from such an important trip is the 'surprise' she brings home for each of her grandchildren. And the Sierota trio — Valerie, Karen, and Terri Ann — are now the proud owners of sister dresses, fashioned in the Bavarian mode with snug little vests and dainty eyelet aprons — all in navy and red prints with white blouses. Their boy cousins are now sporting leather lederhosen (and I couldn't find a good German to help me with that spelling, so —) and perky Tyrolean hats from the Alps.

GRANDPA'S 85!

MEMBERS OF Edward Jahncke's family traveled to Highland Park last Tuesday, October 1, to mark his 85th birthday — taking along cakes and ice cream for the important event. A former resident of Wabash street, Belleville, Mr. Jahncke is now living at the Ford Convalescent Home and his many friends there (65, in all) shared in the celebration and refreshments.

Making the trip from Belleville were his son-in-law and daughter, Mr. and Mrs. Arthur Shephard and son, Brian, of Elwell road; and Mr. and Mrs. Roger Ferguson and family, of Crandell court. The Richard Jahnckes also motored from Flint for the happy event.

SO LONG, TOM

THE SCHROEDERS — Walter and Dorothy — of Savage road, entertained 72 guests at a farewell party honoring their son, Tom, who left yesterday, October 8, for service in the U. S. Navy. Tom will report at Treasure Island, California, before receiving further orders. Yeoman Schroeder is entering the service for 24 months active duty after being affiliated with the Navy for one and a half years. A 1964 graduate of Belleville High, he attended Western Michigan University for three years and prior to his new 'destination in life' was employed at Triangle Furniture Store, in Westland.

HERE 'N THERE

LAVONNE KAY BAILEY, daughter of Mr. and Mrs. Earl Bailey, of 46816 McBride road, Belleville, has enrolled as a freshman in Olivet Nazarene College at Kankakee, Illinois. Olivet is a fully-accredited liberal arts college with an approximate enrollment of 1900 students. It is one of eight colleges sponsored by the Church of the Nazarene. ABOUT TO depart for his home in Athens, Alabama, after a week-long visit in the area is Bert E. Smith, who's been spending some time with his daughter and son-in-law, Mirge and John Roberts, of Lake Pointe Pass. He made the trip Northward in the hopes his visit would result in a seat at the World Series games, but — alas! He also visited with his other daughters in Garden City and Ypsilanti while here. BILL AND FLO Hudge spent Friday evening in Ypsilanti at the First Baptist Church and the Huron Motor Inn. Flo's aunt, Mrs. Aaron Carson, and Leonard Stark were united in marriage and later feted at a reception at the downtown hotel. ROBERT HOEF, Jr., son of 'Bud' and Odalee Hoef, of Wabash street, is home on leave from Fort Ord, California where he was in training for N. C. O. His leave is up October 12 when he departs for Oakland, California and then on to Vietnam.

SERIES CONFUSION

THIS WAS probably the most sporadic column ever belted out on this old Underwood and if you come up with a bit of confused reading anywhere, just chalk it up to World Series-itis. We were all just a bit delirious at the Tigers' come-back Monday after their poor showing in Sunday's game. Those bases-loaded moments had us all tuned in for the big play and, thanks to those commercials, we were able to type off a few more lines before the next inning, and the final Detroit victory!

ROMULUS PERSONALS

Carrico's Son, Mike, Now With Airlines In Saudi Arabia

By PEARL MORRIS
WH 1-1187

Visiting at the Louis Carrico home, on Huron River drive South, during the latter part of September were Mr. and Mrs. Patrick Pooler and children, of Needham, Massachusetts. Mrs. Pooler is the former Patricia Ann Carrico. From Liberty, Missouri, Mr. and Mrs. Michael Carrico and children came to enjoy a few days with his parents and relatives. Mike left Saturday for a new position in Saudi Arabia.

Michael (Mike) Carrico, who has worked the past 18 months as an airline mechanic with TWA in Kansas City, Missouri, will now be employed as supervisor of line mechanics of Saudi Arabia Airlines in Saudi Arabia. His wife and children will reside in Liberty, Missouri until they join him in Jidda, Saudi Arabia after the first of the year.

A baby boy was born to Cpt. and Mrs. Gerald Lee White at Reynolds' Army Hospital, Ft. Sill, Oklahoma, on Tuesday morning, October 1. The infant weighed 7 pounds, 11½ ounces and is the couple's first child. He was named for his father, "Gerald Lee, Jr." Cpt. White (formerly of Romulus) is making a career of the U.S. Army.

Mr. and Mrs. Fred Hay, daughter, Carla, Miss Pearl Morris, Mrs. Flora Morris, all of Huron River drive South, and the latter's grandson, Gerald Diepenhorst, Jr. of Northline road, enjoyed a weekend trip

to northern Michigan. The sextet enjoyed the breathtaking sight of many of the northern Michigan trees in their panorama of fall colors.

Mr. and Mrs. Eugene Gribble, of Aston street, accompanied by Craig Weideman, Cathy Wilson and Gerry Bernard, all of Huron River drive Estates subdivision, spent the weekend at the Michigan Travel Trailer Club's annual fall rally at Mt. Pleasant. A total of 578 trailers assembled there. Mr. Gribble was elected vice-president of the group, after serving as second vice last year.

A baby boy, weighing 6 pounds, 2½ ounces, was born Saturday, September 28, to Mr. and Mrs. Sheldon Chandler, 9261 Ozga road. The infant arrived at Oakwood Hospital, Dearborn and was named "Corey Allen". The other Chandler children are Aaron, 7 years, and Shelley, 5. Mrs. Chandler is the former Gloria Koester.

Visitors last Tuesday at the Grant VanAernum home on Romulus avenue were her brother and sister-in-law, Mr. and Mrs. Rex Broesamle, of Hillsdale.

On Tuesday, October 1, an 8 pound, 12 oz. son was born to Mr. and Mrs. Norman Mientkiewicz of 25041 Orchard street, Taylor. The baby is the couple's first child and was named "Mark Allen". Mrs. Mientkiewicz is the former Shirley Wawrzynowicz, of Eureka road.

MR. AND MRS. MARCO BASILISCO

Roma Hall Setting For 35th Anniversary Party

Mr. and Mrs. Marco Basilisco, of 35293 Eureka road, Romulus, were honored at a surprise 35th wedding anniversary reception Sunday, September 29. The party, held at Roma Hall, in Livonia, was given by their sons and daughters and families: Mr. and Mrs. Frank Basilisco, of Wayne; S/Sgt. and Mrs. Joseph Basilisco, of Springfield, Massachusetts; Mr. and Mrs. Cannon Hatfield, of Wayne; and Mr. and Mrs. Nickola Basilisco, of Detroit.

S/Sgt. Joseph Basilisco and his family contributed to the celebration but were unable to attend.

Guests arrived a half hour before the honored couple who were presented with a corsage of pink rose buds and a white carnation boutonniere as they entered.

Dinner was served and before

the party ended, everyone enjoyed pizza. Guests also went home with a piece of the three-tiered wedding cake which was decorated with lavender roses and silver bells. Among those attending were seven of the honoree couple's 10 grandchildren as well as friends and relatives from Detroit, Center Line, Warren, Dearborn, Plymouth, Saginaw, Wayne and Belleville.

Cash money is almost as obsolete as buggy whips. The same goes for checks. Bank charge cards are zooming fast into our society and are the new thing in the credit business. Today in this country there are an estimated 20 million holders of bank charge cards. The biggest operation is that of the huge Bank of America, in California, which has 2,700,000 Bank Americard holders in that state plus four million in 28 states. The cards have been a boom to the small merchants. The bank assumes all credit risk and the small merchant can compete with the big stores at the same terms.

IT'S A DATE

• Clubs • Meetings • Activities

BELLEVILLE — The Mother's Club of St. Anthony's School will sponsor its annual fall rummage sale Friday and Saturday, Oct. 18-19, at the school hall on W. Columbia avenue. Friday's hours are 9 a.m. to 6 p.m. and Saturday's are 8:30 a.m. to 12 noon.

St. Anthony's Announces Fall Bazaar Dates

Tentative plans are underway at St. Anthony's parish for the annual "Fall Bazaar" Nov. 2-3, which will include a variety of interesting booths — fancywork, home-baked goods, attic treasures, Christmas ideas, etc. The Mother's Club will once again sponsor its popular Country Store and the parish's Teen Focus Club is also getting into the act with a new idea or two.

The Men's Club is selling tickets for two exciting events which any couple would be delighted to win — an all-expense paid trip to Florida for two for one week as well as a week-end in Detroit for two. Mrs. Lucille Remus is chairman of the two-day event which will be highlighted by chicken and ham dinners and all the fixin's served on Sunday. Mrs. Helen Gielinski will chair the annual program for the school children, which is a week-day event for St. Anthony students only.

Belleville Chapter No. 73, O.E.S., will hold its annual meeting and election of officers Wednesday, Oct. 16, at 7:45 p.m.

BELLEVILLE — And in this case, it's NOT a date. Due to a great deal of illness among members of the Evening Circle of the United Methodist Church, the Oct. 9 meeting has been cancelled.

NEW BOSTON — The Huron Senior Citizens will meet Tuesday, Oct. 15, for a pot-luck lunch at 12:30 p.m. followed by business an hour later. Final plans will be made for a visit to Jack Miner's Bird Sanctuary in Kingsville, Ontario.

HURON — The Huron Township Republican Club will hold a pot-luck dinner Saturday, Oct. 12, at Lower Huron Metro Park from 4:30 to 7:30 p.m. This is to be a family event.

BELLEVILLE — St. Anthony's parish has set Nov. 2 and 3 for its annual fall bazaar which will include chicken and ham dinners along with a variety of booths and attractions. Mrs. Lucille Remus is general chairman of the event.

MISS GEORGE

BRIDGE, PINOCHLE, EUCHRE — Along with bunco and various table games, the three most-popular card games in Belleville comprised a two and a half hour social evening for some 270 patrons of the Junior Study Club's Annual Benefit Card Party last Wednesday. Held at Belleville Junior High School, the yearly event was an overwhelming success with guests attending from our city as well as from Detroit, Ann Arbor, Garden City, Trenton, Grosse Pointe, and neighboring cities. Homemade apple pie, tea and coffee were served during the evening and each person attending took home a 'loot bag' filled with surprises from local businessmen. Table prizes consisted of tiny oil cans, painted in blues, olives, oranges, and yellows, sporting matching straw flowers out the slim spouts.

THREE OF THE FOUR — Pictured with the prizes they captured in last Wednesday evening's drawing for the hope chest at the Junior Study Club's Benefit Card party are three of the four winners. Mrs. Caroline Mamo, of 45473 Harmony lane, Belleville, (left) took home the hand-made hooked rug and two decoupage pictures; Mrs. Phyllis Schmidt, of 44305 Harmony lane, Belleville, (center) won the hand-knitted afghan and a set of similar pictures; while Mrs. Frances Korgal, of 1006 Sumpter road, Belleville, received the hand-made quilt and set of embroidered sheets and pillow slips. Not present was Mrs. Anne Riggs, of 110 S. Biggs street, Belleville, whose award was a linen table cloth and napkins, sheets and pillow cases, finger towels, and an apron.

Rummage Sale Set By WSCS For Oct. 18

Plans are going ahead for the Annual Fall Rummage Sale which will be sponsored by ladies of the W.S.C.S. Friday and Saturday, October 18 and 19, at the Community Methodist Church, Olive Street, Romulus.

The sale will be in full swing from 9 a.m. to 5 p.m. on Friday and from 9 a.m. to 12 noon on Saturday, and a wide variety of household, clothing and miscellaneous items will be offered.

Folks wishing to make donations of household articles, clean clothing, grapes and the like are invited to leave them at the church any weekday from 9 a.m. through 2 p.m. Items should be brought in by October 17. Folks desiring pickup, can call Gladys Thompson (941-0985) or Nell Sheppard (941-1591).

Scout Uniform Exchange Day

A "Uniform Exchange Day" will be held Saturday, Oct. 12, at the home of Mrs. Doris French, 12208 Hannan road, south of E. Huron River drive, from 12 noon to 5 p.m. Those wanting to sell, exchange or donate either Boy or Girl Scout uniforms are asked to size and price their items and take them to Mrs. French's home. For further information, call 941-3361.

MISS RIX

Couple To Speak Vows October 19

The Willis Methodist Church has been reserved for the October 19 wedding of Linda Rix and Jerry D. Roberts, both of Belleville.

Their engagement and pending nuptials are announced by the bride-elect's parents, Mr. and Mrs. James D. Rix, of 46960 Willis road, Belleville.

Mr. and Mrs. George Roberts, of 59 Liberty street, Belleville, are parents of the prospective bridegroom.

WE COUNT 55 POINTS — How's that for a pat hand? Little does Mrs. Russell Buck, of Belleville, (center) realize that her partner (in this case, Mrs. Tim Potts, unseen by the camera) holds the kind of hand every pinochle player dreams of. Pity their poor opponents, Mrs. Wylie Pitcher, of Belleville, (left) and Mrs. Gary Glenn, of Ypsilanti (right) who are unaware of their ultimate defeat. Of course, you should know this is all a big put-on, staged by our helpful photographer, Richard Smith, who caught the scene with a wide-angle lens.

Area Patrons Turn Out In Capacity Measure For Jr. Study Club Benefit

The Belleville Junior Study Club played to a full house last Wednesday evening as some 270 guests turned out for its annual Benefit Card Party at Belleville Junior High School. Many familiar faces (patrons from previous years) as well as many newcomers were shown to their tables by acting hostesses for the evening.

Highlighting the event was the drawing for the hope chest which was divided into four groupings. The hand-made quilt and embroidered sheets and pillow cases went to Frances Korgal, 1006 Sumpter road; the hand-knit afghan and two decoupage pictures to Phyllis Schmidt, 44305 Harmony lane; hand-made hooked rug and set of

Teen Focus Club Elects Officers

St. Anthony's Teen Focus Group is announcing a change in its usual procedure, new hours being 1 to 4 p.m. once each month. The regular dinner will be replaced with light snacks at a charge of 25c per person.

New officers of the group are Hans Jansen, president; Rene Liedel, vice-president; and Theresa Bies, secretary-treasurer. At the present time, the club is looking for young

people in the parish to play guitars for a folk mass.

The club's present project concerns the up-coming parish bazaar Nov. 2 and 3 for which booth suggestions are being sought. Two ideas brought forth were a 'Roaring Twenties' theme or 'Stranger Designs.'

On Sept. 28, the group sponsored its first fund-raising event, a teen dance entitled, "Fall Depression."

Several Prominent Belleville Ladies On Hospital Lists

By Mrs. Joseph Spring
OX 9-4021

After having been a patient at St. Joseph Hospital, Ann Arbor, for several weeks recovering from severe burns, Mrs. Winifred Gault was able to return to her home on Roland street Sunday, Sept. 29. Her sister, Mrs. Dorothy Thiesen, from Miami, Florida, arrived last Friday, to spend some time with her. Mrs. R.H. Bowick, the former Marjorie Gault, who had been with her mother for several days, left for her home in Easley, S.C., Friday evening. Mrs. Gault wishes to express her sincere thanks to all for their prayers, many cards, calls, and help at all times.

Mrs. Clayton Saunders has been a patient at Ridgewood Hospital for the past several days.

Mrs. Darryl H. Raymond Sr. was taken to St. Joseph Hospital, Ann Arbor, last week Wednesday. She has been seriously ill and on the critical list for several days.

Wednesday luncheon guests of Mrs. Samuel H. Robbe, of E. Huron River drive, were Mr. and Mrs. Leland Voorheis, and daughter, Mrs. Ann Lewis, of Detroit.

Linda, twelve year old daughter of Mr. and Mrs. George Maki, of Quirk road, underwent an emergency appendectomy at Beyer Hospital last Friday evening. At present writing she is doing nicely and expects to be home shortly.

Mr. and Mrs. John Amerman, of 375 Liberty street, are the proud parents of a baby girl born at St. Joseph Hospital, Ann Arbor, on Friday, Sept. 27, weight 7 lb. 7 oz. She has been named Victoria Lynn.

Mr. and Mrs. Robert Perry returned home Tuesday evening of last week from a trip to Texas with friends from

Ann Arbor, Mr. and Mrs. Edwin Ditto. Taking off from Ann Arbor Airport in the latter's single engine "Skylane" plane the four some spent Friday night in Paducah, Ky., and left the next morning for San Antonio, Texas, where they attended the Hemis Fair Saturday and Sunday. Flying on to Olton, they were overnight and Monday guests of Mrs. Perry's parents, Mr. and Mrs. A.D. Melton. At Olton they visited acotting in a feed lot where beef cattle were being fattened, and inspected several types of irrigation. Enroute home they spent a night in Tulsa, Oklahoma, and toured the city.

Troop 736 Stage Show

BELLEVILLE - A Skit and a Pet Show was put on by Cub Scout Troop No. 736 at their Pack meeting, Sept. 25.

A commendable performance of Den One was executed in a Skit named "Tossed Salad" enacted by: Joe Thomas, John Thomas, George Czarnonowicz, Paul Hess, Bobbie Miller, Philip Youtsey, and Steve Renke.

The same boys merited one gold arrow, each, Bobbie Miller earned three silver points and one gold arrow. Ronnie Wilbanks from Den Two received one silver and one gold arrow for completing his electives.

THE PET SHOW, a culmination of a summer project, which required the boys to raise a pet unlike any they had already possessed, was achieved by Den Two.

Alfred DeChene won for his pet Gerbil, a prize as "The Most Unusual Pet". Ronnie Wilbanks won first place ribbon for his Doberman Pincer as Best Pet. Michael Sapienza's St. Bernard puppy

received second place ribbon for Best Pet.

Other pets entered in the show consisted of a Siamese kitten by Stephen Ozga, a turtle by Robert and Martin Gierak, and a rabbit by Charles Jefferies.

Each Cub gave a brief and interesting oration on the nature and habits of their pets.

Romulus. The 6 lb. - 2 1/2 ounce arrived at Oakwood Hospital, Dearborn, and was titled Corey Allen. His mother is the former Gloria Koester.

Mr. and Mrs. Norman Mienthewicz, of 25041 Orchard street, Taylor, added an 8 lb. - 12 oz. son to their household so now "baby makes three" for the former Shirley Wawrzynowicz and the proud daddy. Born Oct. 1, the newcomer was named Mark Allen.

From Spring Lake, North Carolina comes announcement of the arrival of another 'first child', the son born Oct. 4 to Sp4 and Mrs. Charles Lee Hiveley. The 7 lb. - 6 1/2 ounce addition has been called Charles Lee, Jr.

School Board Approves Building

ROMULUS - The Board of Education of Romulus Community Schools has approved final plans for additions to Romulus High School including a proposed auditorium, Robert L. McConeghy, school superintendent announced.

The high school addition

program consists of administration wing for Board of Education use and an auto shop addition as well as the auditorium.

Bids for construction contracts will be asked for about Nov. 11, McConeghy stated. The building program is being financed by a \$3,400,000 bond issue approved by the voters in October, 1967.

McConeghy also announced that the New Elementary School Planning Committee has completed its studies on proposed plans and designs for the new school.

The committee worked with educational consultants and school architects in arriving at proposed recommendations for the new elementary school planned for the Merriman Road, south of Eureka Road area.

This school when built will service the Emerald Green and Diamond Point Subdivisions.

Currently under way is the construction of additional classrooms at both the Cory

and Mt. Pleasant Elementary Schools. Eight additional rooms are being added to each school.

McConeghy stated that the schematic drawings of the new elementary school will be presented to the School Board on Oct. 14. If they are approved than architects can prepare working plans for contractor bidding.

The asking for bids on constructing the new school is about four months away, he said.

This Week-End Is Homecoming Time at Huron High School

By Mrs. William F. Havenstein 753-3801

Remember Huron's Homecoming Parade tomorrow, Thursday, October 10, at 5:30 p.m. It will begin at Sibley road and Huron River drive and proceed through town.

The Homecoming game, Huron versus Catholic Central of Monroe, will be played Friday, October 11, at the Airport High School field, in Carleton, at 7:30 p.m.

The Homecoming Dance will be Saturday, October 12, at 8 p.m.

The Huron Township Republican Club will hold a pot-luck dinner at Lower Huron Metropolitan Park Saturday, October 12, from 4:30 to 7:30 p.m. Those attending are to bring dinner for their own family.

This is a family event and the

children are invited to come with their parents. Activities have been planned to entertain the youngsters. A guest speaker will be among the evening's attractions.

Margaret Burgess, of Waltz road, celebrated her 11th birthday October 5. Approximately 20 classmates came to join the festivities which included a hay ride and an array of traditional birthday party refreshments.

Final preparations will be made for the trip to Jack Miner's Bird Sanctuary in Kingsville, Ontario, at the next meeting of the Huron Senior Citizens. The meeting will be held at the Waltz Fire Hall October 15. A pot-luck dinner will begin at 12:30 p.m., the business meeting at 1:30 p.m.

Under discussion at the meeting will be the possibility of purchasing new club badges for members.

The Huron Junior Varsity Football team will play Blissfield, there, October 10 at 4 p.m. The 7th and 8th grade

team will play Airport there, October 10 at 4 p.m.

The Jaddatz home has been a whirl of activity for the past few weeks, the reason being the marriage of daughter, Cathy, which will take place today, October 9, at St. Thomas Episcopal Church, in Trenton.

Two bridal showers have been given honoring Cathy recently. On September 26, Mrs. Richard Burgess, of Waltz road, hosted a shower for approximately 20 friends. Guests enjoyed a social evening and Cathy received many lovely gifts.

Mrs. Burgess decorated the refreshments table with a centerpiece of two heart shaped cakes inscribed with the couple's names.

On September 21, relatives Dorothy Miles and Susie Hadaway, hosted a shower at Gifford, Michigan. Approximately 30 relatives were in attendance.

Cathy is the daughter of Mr. and Mrs. Donald Jaddatz, of Middlebelt road, her fiancé Paul, is the son of William Eldred, of Belleville.

Mrs. Jaddatz has been spending many gratifying hours sewing Cathy's wedding gown, a real pre-wedding project for the mother of the bride.

Students Tour-Study Willow Run

BELEVILLE — Sixty Belleville Junior High students recently spent a morning touring Willow Run Airport.

Sections 70 and 7P, along with their science teacher, James Farrer, counselor Mrs. Judy Rosemergy, and student teacher Miss Cheryl Goodfriend, got close-up looks at aircraft at McGrath Aviation and General Motor's Air Transport.

The high point of the tour came when Belleville Junior High School students got to sit behind the controls of a Cessna 150. Larry Berlin, an instructor at McGrath's guided the group.

Parents accompanying the students were Mrs. Richard Golden and Mrs. Walter Phipps. The tour ended with a trip to the control tower to see how the airport operated.

sponsored by St. Timothy's Episcopal Mission, 24704 Gibraltar road, Flat Rock on October 16. You may select from both clothing and household items from 9 a.m. to 3 p.m.

There is still time to make plans for attending St. Stephens Ushers Club Harvest Dance October 12 at the Progressive Hall, Romulus. There will be free refreshments and door prizes.

The students took the trip in "Air," which they have been connection with a unit on studying.

AT VILLAGE

Martinsville Cider Mill To Operate Weekends

A new sound will resonate through Greenfield Village for the next half-dozen weekends, or, perhaps more correctly, an old sound that usually isn't heard these days.

Autumn Village visitors will hear the hissing of steam from a 19th century engine, the turning of an overhead drive shaft, the groan of tired gears once again engaging to screw down a heavy wooden press and the steady splash of golden nectar from just-squeezed apples.

These merged sounds will rumble from the 19th century steam-powered Martinsville Cider Mill installed in Greenfield Village in 1942.

The mill stood idle in the Village for a number of years although it had operated there in past decades. Then last autumn it came to life again as the first move in an expanding crafts program.

FULL OPERATION is planned for each weekend from Oct. 5 through Nov. 10. The mill will operate on weekdays only for special functions.

Fresh cider will be available for purchase by anyone desiring it, along with individual cups of cider and doughnuts.

A stop at the mill will be part of the regular Village tour during which visitors may enjoy all of the displays of three centuries of American history that Greenfield Village portrays. Historic Clinton Inn will be open for cafeteria-style lunches and horse-drawn carriages will be available for those who prefer to ride through the vivid Fall colors.

Village admission is \$1.75 for adults and 75 cents for children 6-14.

Ellington's Concert at UD Oct. 13

Duke Ellington's new Sacred Concert is the second presentation of the University of Detroit Town and Gown Celebrity Series at 8:30 p.m. Sunday, Oct. 13, in the U. of D. Memorial Building.

Joined by the U. of D. Chorus, the Ellington Chorus and Orchestra will play a magnificent collection of contrasting songs and instrumental works in praise of God.

Ellington's first sacred concerts were presented in September, 1965 in Grace Cathedral, San Francisco as part of the celebration of the completion and consecration of the cathedral atop Nob Hill. It made nationwide news as an electrifying success.

WITHIN THE NEXT two years it has performed in over fifty churches, cathedrals and temples in the United States and Europe. The new Concert was presented in January, 1968 in the Cathedral Church of St. John the Divine. Over 6,000 enthusiastic people jammed this largest cathedral in the world and the concert was conceded to be even more superior than its predecessor.

"The Concert is not the traditional Mass jazzed up," Ellington points out. "It is essentially an act of faith and worship performed in the idiom for which we have long been famous, with the addition of brilliant vocal soloists, choirs and dancers. Now I can say loudly and openly what I have been saying to myself on my knees."

Tickets at \$5, \$4, and \$3 are on sale at the Performing Arts Center Box Office in the U. of D. Student Union, at Grinnell's and J.L. Hudson stores.

Film, Speakers Bureau Available for Meetings

The program chairman's delight, Michigan Consolidated Gas Company's 1968-69 film and speakers bureau catalogs are now available to clubs, schools and other organized groups looking for interesting films and programs for meetings.

John Bock, manager of community affairs for the utility, said 85 films, 20 of them new this year, are available free to organized groups and schools.

Among the new thrillers is "Coho", produced by the Michigan Department of Conservation, which tells the story of the coho salmon development from its egg raising start in 1964, to the angling thrills of today. Another Conservation Department film traces the growth and management of Michigan's elk herd.

THE SPEAKERS bureau catalog comes up with such popular platform names as veteran newsmen and radio commentator Lee Smits and business and community leader Fred Kaiser, both of whom rank among the most sought after speakers in Michigan. Among the other staged programs presented by the company are judo and skin divers demonstrations.

Bock said that some 20,000 catalogs are being distributed by mail to program chairmen, school principals and audio-visual instructors throughout the state. Others can obtain catalogs by writing the Michigan Consolidated Gas Company, Detroit 48226. Programs can be booked by calling the company's film library at 965-0014.

Exhibition By Seniors Announced

DETROIT - Interesting, fascinating, and creative works of art will appropriately describe the attractions to be found at the Senior Citizens Arts & Crafts Exhibit being held at the Detroit Historical Museum, Oct. 11 through Nov. 3, 1968.

This, the sixteenth year that the Senior Citizens of our Metropolitan Detroit community will exhibit their handmade treasures, will see more than 2,000 exhibits featured.

Among the handicrafts which will appear are embroidered tablecloths, taxidermy, bedspreads, metalwork, hand towels, woodcraft, and numerous other types of artwork.

SPONSORED BY the Martin Kundig Guild, Detroit Archdiocesan Council of Catholic Women, Detroit Historical Museum, and The Detroit News, there is no charge for admission.

Many of the articles displayed may be purchased at the close of the exhibit. Committee members will be available daily to offer price information and make reservations for the sale of items.

The exhibit will be of interest to both young and old. To see the handiwork of the senior artisans at their best take a journey down to the Detroit Historical Museum where the exhibit will be displayed from 1 to 6:00 P.M., Tuesday through Sunday.

THE VELVET KNIGHTS

— composed of Belleville Area students attending Belleville High School have been invited to play a three-night engagement in Kentucky and have been asked to a recording session in Nashville for a recording company for around Thanksgiving. They have composed several arrangements that the combo hopes will be "hits". Left to right are: Tom Nennis, drums; Mike Shirley, lead guitar; Warren Himes, bass guitar; and Tim Story, rhythm guitar.

Belleville Kiwanis Club Observes An Anniversary

WELCOMING THE WIVES — The Belleville Kiwanis Club's 22nd birthday party (Oct. 1) at Rogalle's Lounge. A highlight of the anniversary celebration was the holding of Ladies Night affair. Shown welcoming the wives of members is Kenneth Daniels, president of Kiwanis. Shown at the officials' table are left to right Archie Gauthier, second vice-president, Daniels. Mrs. Kenneth Daniels and Mrs. Edward Stoelton.

INTRODUCING MAIN SPEAKER — Tom Hopka, program chairman, at the 22nd annual birthday of the Belleville Kiwanis Club held at Rogalle's Lounge Oct. 1, shown introducing the featured speaker and guest Red Jones, former American League umpire and noted television baseball broadcaster. Mrs. Tom Hopka looks on as her husband presented his interesting resume on Jones. Some 70 members and new wives attended the anniversary.

TELLING IT TO THE 'UMP' — Edward Gordon (left) one of two charter members still with the Belleville Kiwanis Club and Club president Kenneth Daniels (right) have the unusual privilege of 'telling it to the ump' as they corral the American League's former umpire, Red Jones. Jones was guest speaker Tuesday evening, Oct. 1, as the Kiwanis group met for its 22nd birthday celebration which included wives at Rogalle's Lounge.

Kiwanis Joins News Tribute

BELLEVILLE — The Kiwanis Club of Belleville has joined in paying tribute to the nation's newspapers during

National Newspaper Week, (Oct. 6-12) Club President Kenneth Daniels announced.

The purpose of National Newspaper Week as defined by its sponsors, the Newspaper Association Managers, Inc., is to emphasize the partnership existing between newspapers and their readers, and to stress the unique role of the press in maintaining and protecting the freedoms enjoyed in this country today. The slogan for this year's observance is: "Newspapers... The Independent Medium."

In announcing the National Newspaper Week observance,

Daniels pointed out that more than 5,500 Kiwanis clubs throughout the United States and Canada would take part in paying tribute to the press in a similar manner.

Harold M. Heimbaugh — president of Kiwanis International, praised the newspapers of the U. S. and Canada for their constant efforts in securing an informed citizenry, and called upon the 275,000 members of his service organization to bring to the attention of their communities the important role being played by newspapers... both big and small.

High School Students Given Second Reminder

LANSING — October 14 is a deadline for high school seniors to remember.

More than \$10,000,000 is at stake. As much as \$1,600 per student.

High school seniors who wish to apply for State of Michigan tuition grants or competitive scholarships must take action by Oct. 14.

"The simplest thing for them to do," explains John C. Hoekje, president of the Association of Independent Colleges and Universities of Michigan, "is to see the counselors at their own schools for forms and advice."

"These state funds are available," he said, "for students who wish to attend universities or colleges in Michigan next fall. The amount varies, but as much as \$1,600 may be available to

each student for the academic year.

"A maximum of \$800 per year in tuition grants for use in private colleges, and another scholarship maximum of \$800 per year for private or public colleges, are separate and distinct. A student who fails to qualify for the competitive scholarship may still be eligible for the tuition grant if he meets the admission standards of a private college in Michigan."

Hoekje pointed out that a high school student doesn't have to make up his mind which college he wishes to attend, or even if he will definitely attend college, before the Oct. 14 filing deadline. These details can be settled at a later date, he explained.

Citizens Mutual Cites Plan

HOWELL — Guaranteed renewal of automobile insurance for people 65 years of age and older is offered by Citizens Mutual Insurance Company, of Howell, as part of their SOLID CITIZEN automobile insurance policy.

Henry R. Deering Agency, 330 Main Street, Belleville, is Citizens Mutual local agent.

The guarantee of a lifetime of renewals goes into effect when an insured attains age 65 and has been continuously insured by the Company for at least five years.

Certain common-sense restrictions fall in the area of non-payment of premium; suspension or revocation of the driver's license of a customary operator of the car and serious uncorrected vision of other medical or mental health problems.

Citizens Mutual does not claim originality in the offering of lifetime renewal, merely the ability to recognize and the

courage to adopt a good idea when one appears. Recently a large national insurance company offered a similar agreement.

A month ago Citizens Mutual announced its new "Non-Cancellable" program. Michigan Statute allows an insurance company considerable leeway in cancelling an automobile policy but a Citizens' policyholder faces cancellation only if (1) he has failed to pay the premium, or (2) the license of any owner or operator of the automobile has been revoked or suspended.

The combination of the Lifetime Protection Agreement and the Restricted Cancellation Clause give the Citizens' policyholder coverage guarantees that few automobile insurance contracts offer and virtually lifetime protection to those who qualify.

Citizens Mutual feels these are timely answers to a pressing social problem.

Romulus Planners OK Zoning for Plant

ROMULUS — The Planning Commission of Romulus Township has recommended approval of rezoning some 26 acres of township located land for the construction of a \$1,500,000 Plating Plant and other industrial installations.

The land parcel is owned by Midwest Chrome Process Company of 2771 Hammond, Detroit which proposed the industrial development.

Township Planners recommended rezoning the present Transitional Zone Classification to M-2 (general industrial) requiring a 100-foot setback over objections of some area residents that complained to 24-hour plant operation, noise and increase in truck traffic that would occur if the Plating Plant was built.

THE ACREAGE is located north of Smith Road and east of Middlebelt Road.

The planners conducted a public hearing on the rezoning petition on Aug. 28. The matter was referred to the Township Attorney John E. Young.

The public hearing was resumed on Sept. 24. Residents residing on Smith Road that deadends at I-94 Expressway again objected to the proposed industrial development.

Joseph Wallis, secretary of the Planning Commission and

member pointed out that the area is now zoned for industrial uses.

Set backs under the present zoning is 25 feet and under a rezoning to M-2 classification these set backs would be 100-feet from front yards.

The petition is now before the Wayne County Planning Commission for their recommendation and is scheduled to be put before the Township Board on Oct. 15 for final approval.

Car Plate Sale Nov. 15

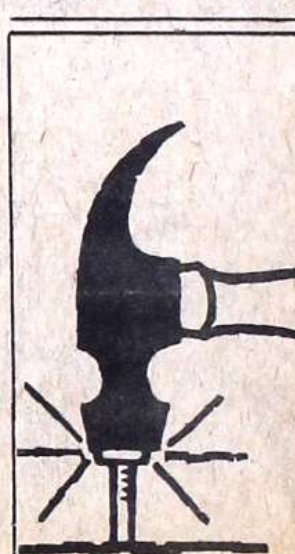

LANSING — Michigan license plates for commercial vehicles and all trailers are now on sale at all branch offices of the Secretary of State.

Plates for passenger cars do not go on sale until Nov. 15, two weeks later than in past years.

Revenue from commercial licensing is expected to go up around \$4 million for the 1969 licensing year.

Unlike passenger plates, commercial license plates will not have the slogan "Great Lake State" imprinted on them. The space normally reserved for the slogan, has been set for affixing gross vehicle stickers on commercial tabs.

Over 150,000 deaths occur each year in the United States with a respiratory disease as the cause.

TIGERS ON THE RUN — Belleville's Steve Hampton (42) looks for running room and finds it. Although Hampton picked up more than 60 yards rushing against Allen Park, the Tigers dropped their second Suburban Six Conference game of the season - their third straight - and now find themselves in the bottom of the league, a berth shared with winless Redford Union.

THE SPORTS MERIDIAN

By Tom Mooradian

The Rains Came

Have you ever tried to write a sports column, listen to the World Series, meet TWO deadlines in ONE day and remain sane? I have and I have now come to the conclusion that it's impossible.

I'm ready for that long, long, long vacation. Being a Tiger "faithful," I stayed away from the office over the weekend to take up my place in front of TV land. For the first four games I stomachached the action and numerous six-packs, but economics forced me back into reality on Monday and since the rains washed all my hopes of a Tiger victory Sunday I decided to meet my deadlines.

That was a fatal mistake.

I should have stayed home. Write and listen to the Tigers play via transistor radio? Who was I trying to fool? I hate to glance at this paper Wednesday when it hits the streets. I've "written" some 15 football stories and if "inning," "pop fly," "strike out" Lolich or Brock pop up in them, I'll have to be excused. That's all I can think of at present.

And, after Lolich's superb performance in that fifth game, can you blame me?

Now, back to the local beat. Grid fans who have been following the "experts" weekly phoned in and asked me if we decided to discontinue the "Prep Grid Prediction" series. They couldn't find them in the ANP papers last week.

The answer is "No." I misplaced those darn predictions and forgot them in my car, (I didn't say bar) and if you want to know how the panel picked the games last week, you'll have to pick up an Enterprise Roman. That paper carried 'em.

And, you'll find them this week and the following weeks to come, i.e., if the Sports Meridian doesn't forget them in his car.

A Coaches' Point

One of my cohorts sends this beautiful paragraph along so that high school coaches (and Little Leaguers, too) can use it whenever parents stick their noses where they shouldn't - in coaches' business.

Someone asked Phil Cutchin, Oklahoma State coach, what a father expects a coach to do for his son. After thinking a few seconds, the veteran coach replied:

"He wants a coach to make a model citizen out of the boy in four years, after he has been letting him have his own way for 18 years."

And that lovely woman who refuses to talk to the Sports Meridian and demands to be heard only by the publisher would have received answers to sports questions quicker if she addressed them to me.

What did she want? Only the boss and I and the woman will ever know. But 'tain't nice, ma'am, you almost done me a favor - got me fired.

And I have a wife, and ten kids to support!

Speaking of support, a Belleville fan is perturbed at the amount - the lack of it - support Belleville football fans are giving to their Tigers this season.

"I wonder why these fans go to the games," says she, "surely not to cheer."

But, miss, Belleville hasn't had much to cheer about these autumn days.

WW Cross Country Meet Saturday

WAYNE TO HOST 10-TEAM FIELD

WAYNE — A field of ten teams will start in the Fifth Annual Western Wayne Invitational Cross Country Meet which is scheduled for Sat., Oct. 12 at the Wayne Memorial High School two-mile course.

The meet, broken down into two divisions, will start with the first race at 10 a.m. while the second race is slated to begin approximately 10:30 a.m.

Packed in the first "heat" will be Belleville, Cherry Hill, Garden City East, Livonia Franklin and Wayne Memorial while over in the second "heat" are Robichaud, Garden City West, John Glenn, Taylor Kennedy and Taylor Center.

Unlike previous years, however, the teams will be competing for trophies in both races. The trophies, awarded by the Associated Newspapers,

will be presented on a permanent basis to the winners of each race.

In the last four invitational, the teams vied for a "traveling trophy."

Ribbons will also be presented to the first, second and third place finishers in each race. Individual ribbons will go to the first 24 places in each of the two races.

We expect stiff

competition," said Bill Elliott, athletic director at Wayne Memorial who'll be the meet director. "The teams in both races are evenly matched and it'll be rough going on our course."

Two teams who'll don the robes of favorites will fight it out for the trophy in the first heat are Livonia Franklin and

Belleville Seeks To Snap Losing Streak at Trenton

Belleville's sputtering offensive machine which drives to its opponents goal line before clunking out, will go through a thorough examination by head mechanic Jim Richendollar before being put to use again this Friday at Trenton.

That Tiger offense picked up over 250 yards against defending Suburban Six Conference champs, Allen Park, last week but it wasn't until the final quarter that coach Richendollar's boys went in for touchdowns.

The sputtering cost Belleville its second league setback 32-12 and its third loss in four starts. "I just can't put my finger on it," said coach Richendollar. "We play a decent brand of football but kill ourselves with our own mistakes. We have to correct these mistakes in order to compete in this league."

Richendollar said he was looking forward to another real good ball game Friday when the Tigers take on Trenton, one of the perennial powerhouses in the league.

Allen Park quickly got on the scoreboard in the opening period, scoring twice to grab a 12-0 lead at the end of 12 minutes. While the Tigers tried to play over 50 yards of penalties in the first half, the Jaguars scored a couple of more times and at halftime established a 25-0 edge.

The two teams played to a scoreless third period. Belleville came alive in the final quarter with Bruce Bara, who led his team offensively, crashing over from the one-yard line for the tigers' first touchdown.

In the fading minutes of the quarter, quarterback Dick Wenzel, who stepped in to take over the signal-calling chores from senior John Yocum, tossed to Mike Fant for a six-yard scoring pass play to account for the final Belleville TD.

Lee Schmidt, who missed his first extra point attempt, didn't get a chance for the second as a poor snap from center stopped him.

Bara turned in another stellar performance for the Tigers as he gained 100 of Belleville's 275 yards. Steve Hampton had 85. The Tigers went to the air on 23 occasions with their receivers on target for eight which accounted for another 65 yards.

The Parkers found themselves in trouble when they tried to use the ground routes over the Tigers thanks to excellent defensive performances turned in by Larry Merritt, at end, and Jim Singleton, the middle guard.

Allen Park and Bentley are now deadlocked for first place while Belleville has tumbled into the cellar which it shares with winless Redford Union.

Andretti Seeks 3rd USAC Speedway Title at MIS

DETROIT — Thanks to the perseverance of one Mario Andretti, the crucial race of the 1968 USAC Championship circuit will be the inaugural event at Michigan International Speedway on October 13th.

Italian-born Andretti is now only 163 points behind points leader and Indy winner, Bobby Unser. Unser has 3301 points - Andretti 3138.

An overall win - worth 500 points - on the new Michigan 2 mile oval would put Mario well into the lead for his 3rd National Championship.

Andretti has entered his National Overseas Airways' Brawner-Hawk Turbo Offy in the premiere event at the Irish Hills facility. The car and driver have already had a taste of the fantastic speeds attainable this week during tire testing for Firestone Tire and Rubber Company. Mario's fastest time of 182.57 MPH was only a shade off Gordon Johncock's initial track record of 182.92 MPH.

"The track is a real challenge," said Andretti, upon completion of tire testing. "Fast, smooth - a real test of machinery and driver."

However, with those speeds, I feel that only the turbo-charged machines will have a chance at an overall win."

The entry of Andretti brings the total number of entries to 41 - including such top names as Foyt, the Unsers, Ruby, Vukovich, Bettenhausen, McCluskey, Johncock, Malloy, Pollard, Leonard, Tinglestad, Rutherford, McElreath, Bucknam and Dallenbach. Only 26 cars can qualify on October 12th.

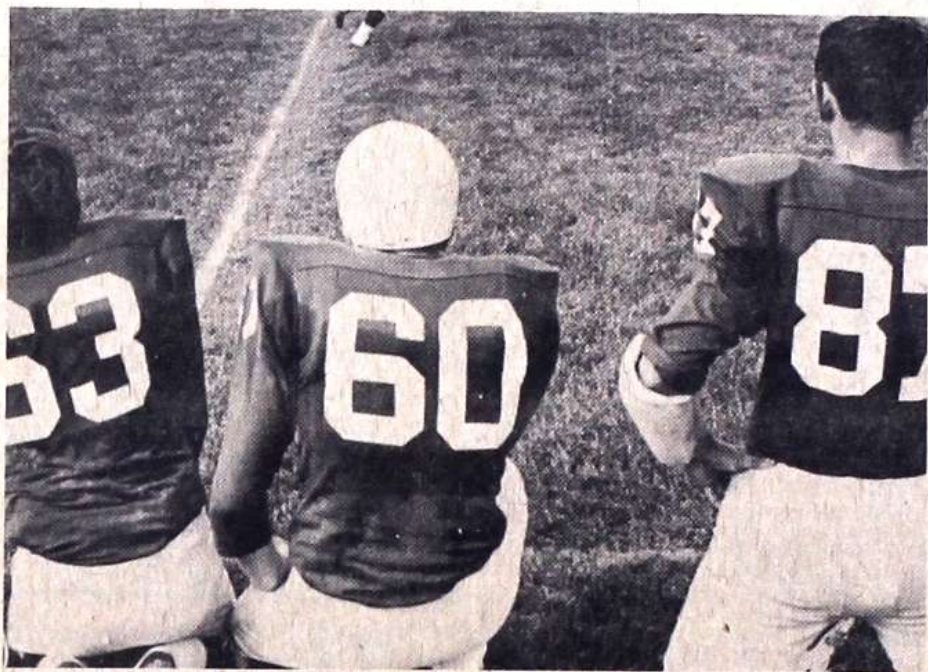

One car that won't make the starting grid is the STP Turbine that was to be driven by Art Pollard. Pollard had the

misfortune to hit the wall at M.I.S. during Firestone testing, demolishing the car. Only one turbine remains to compete on the 13th - No. 60, driven by Joe Leonard and owned by Vels-Parmelli Jones Ford.

Before the crash, Pollard was turning steady lap times of 182 MPH.

The race will start at 1:30 p.m. on Sunday, October 13th. Pre-race festivities will get underway at 10 a.m. and will include a parade of all the 1969 car models, as well as an acrobatic air show.

Practice and qualifying start at 9 a.m., Saturday, Oct. 12th.

FACING A PROBLEM — Romulus Pat Gaddy (63), Charles Kilanski (60) and Tom Block (87) study the battle in front of them until they're called upon to participate in the war. The Eagles lost their third of the season last week to Lincoln Park and will travel to Ecorse in hopes of making it 2-1 in the Twin Valley Conference.

Romulus gridders took a league day off Friday to take on Lincoln Park at independent, and the Parkers looked as free as ever as they trounced coach George Pratt's Eagles 34-0.

"They just overpowered us," said coach Pratt after the game. "They were a well drilled ball club and drove over us."

Lincoln Park got on the scoreboard in the first quarter then added three TDs in the second period to wrap it up. The two nonleague rivals couldn't score in the third frame but the Railsplitters came back to get their final in the last minute of the game.

The Eagles helped beat themselves when they failed to hang on to the ball. They dropped six passes which had

TD labels written all over them.

But the Parkers overpowered the Eagles behind the evasive running of Randy Evans and Mark Fuhrer who slipped through the defense for two tallies each.

Romulus may have also lost "utility man" Paul Seestadt who injured his ankle in the game. Seestadt, who is the Eagles' part-time signal caller, also plays safety and does the team's punting.

Defensively, brothers John and Gary Stanek turned in a

stellar performance with each picking off nine tackles for the Eagles.

Of the 157 yards gained by Romulus' offensive unit, Louis Davis had the largest share. The Romulus halfback gained 54 yards in eight carries while teammate Nate Williams picked up 13 yards in three tries.

The Eagles return to Twin Valley Conference competition on Friday as guests of Ecorse, which also has had its problems winning games. The Raiders also are 1-3 on the season.

Authority Reports Attendance Increase

The four major parks of the Huron-Clinton Metropolitan Authority showed increased usage at most of its sites during the month of September compared to the same month in 1967.

The following figures were announced by Kenneth L. Hallenbeck, director of the Authority, a five-county regional park agency serving the counties of Livingston, Macomb, Oakland, Washtenaw and Wayne.

Kensington Metropolitan Park near Milford reported over 177,200 persons used the park in September to set a record for the month. Last year's usage was 152,000 for September of 1967 and the previous high was 166,000 set during the month of September of 1965.

Lower Huron Metropolitan Park near Belleville reported over 156,300 visitors during

September compared to 150,900 for the same month last year. The highest figure for the month was 166,000 set in 1964.

Stoney Creek Metropolitan Park near Utica had over 89,700 visitors in September, compared to 81,900 persons in September of last year. However, the record figure for September is 98,500 set during the park's first year of operation, 1964.

Metropolitan Beach near Mt. Clemens is the only Huron-Clinton park that showed a decline in attendance for the month of September.

This year's usage was 94,900 persons compared to a record 111,100 set last September.

Raceway Opens In Windsor

WINDSOR, ONT., — Harness racing fans in the border Cities area have started flocking to Windsor Raceway as the popular all-weather winter-time oval opened its fourth season Monday, Oct. 7.

With the exception of a few days break for the Christmas holidays, action will continue at Windsor through mid-March and prospects for increased interest are bright.

Firmly established as an outstanding mecca for the harness racing enthusiasts, the Raceway has been able to attract many of the top Canadian and U. S. stables and the highest caliber of competition is anticipated this year.

During its inaugural season, Windsor drew just over 31 patrons and attained a nightly mutual handle average of \$249,031. Last winter's total attendance topped the 49-million mark and the handle average had increased to \$310,308.

The early 7:45 p.m. post time, popular especially among the railbirds from the U. S. who comprise nearly 75% of Windsor's crowds, will continue. Matinee programs will be resumed during the 1969 Winter Meet starting Jan. 1, but as yet no definite decision has been made on scheduling Sunday racing.

BACK ON Oct. 30, 1965, Barbara Johnston, daughter of Irish Chief-Peggy Johnston and owned by Lorne Johnston of Dresden, Ont., won an invitational event at Windsor Raceway in the time of 2:02.2 and was a brief holder of the record for the newly-opened track.

The Big Bear, Philip Brian and Bobby Axland all bettered that mark and the famed Cardigan Bay set the current record of 2:00.1 in last spring's Provincial Cup renewal and trainer Stanley Dancer was presented with a suitable trophy.

But Barbara Johnston still boasts the record for pacing mares and she will be recognized, even after a lapse of nearly three years.

Thursday, Oct. 10, owner Lorne Johnston and driver Gerry Johnston will be presented with trophies and the ceremony will be featured on the Raceway's weekly telecast over CKLW-TV (Channel 9) Windsor.

Now eight years old, Barbara Johnston produced her first foal this summer, a filly named Justa Johnston whose sire is Newport Duke, owned by Morris MacDonald of Strathroy, Ont.

PACING THE FIELD of top name championship car drivers at Michigan International Speedway's inaugural race on Sunday, Oct. 13, will be this 1969 Cougar convertible - another exciting newcomer to the motorsports scene. A record purse of \$75,000 plus accessory money has been put up for the 250-mile event sanctioned by the United States Auto Club for Indianapolis type cars. The new five million dollar racing complex with two-mile banked oval is in the Irish Hills 70 miles southwest of Detroit. Among the drivers expected to race are A.J. Foyt, Mario Andretti, Al and Bobby Unser and Gordon Johncock. The red convertible pace car is powered by Cougar's high compression CJ 428-cubic-inch V-8 engine rated at 335 horsepower. It has a competition handling package, functional hood scoop and four-speed manual transmission.

Fall Colors Peak in UP Areas

Nature sets the pattern for colorful October events and activities in Michigan amid scheduled color festivals, carnivals and celebrations.

Listed among the fall color activities is the Carnival of Color to be held at Grayling, Oct. 11-13.

During the festival the community will offer free pontoon boat rides on Lake Margrethe, considered an excellent vantage point from which to view the woods. In addition to boat rides there will be contests, canoe trips, dancing and entertainment.

Bellaire will salute autumn with a color festival October 5-7. Many other Michigan communities have posted color tours through the woods in their areas.

Several of the leading race car drivers of the world will be on hand to compete in the 250-mile inaugural race at the new Michigan International Speedway, Cambridge Junction, in the Irish Hills, Oct. 13.

A SNOWMOBILE and winter sports show is scheduled for Oct. 19-25, at the Artillery Army in Detroit.

The show features a wide array of snowmobiles as well as displays of skis, outdoor accessories and clothing, and winter camping gear.

Other Michigan October events include the Red Flannel Festival, Cedar Springs, Oct. 12; the Fall Harvest Festival at the Nature Center, Kalamazoo, Oct. 12-13; the Midwest Antiques Forum, Henry Ford

Museum, Dearborn, Oct. 12-18 and the Autumn Square Dance Festival, Cadillac, Oct. 19-20.

The bow and arrow deer hunting season runs from Oct. 1 through Nov. 14. Pheasant season opens Oct. 21.

Copies of the Fall Calendar of Events, listing community happenings in Michigan during the fall season are available without charge from the Michigan Tourist Council, Stevens T. Mason Building, Lansing, 48926.

Wayne State University's oldest single-season football record is the 81 points scored by halfback John Hazely (Port Huron) in 1949.

In The Open

BY LEE SMITS
Special Writer

C comes the best time of year in outdoor Michigan and with it a tragic prospect. Before the close of the rabbit season next spring, there will be right close to 20 fatal shooting accidents in our state and around 235 non-fatal gun accidents - also, perhaps one or two wounded by arrows.

The figures vary only slightly from year to year, but with a singular factor showing up. The more hunters, the fewer accidents!

In the years that the total of licensed hunters exceeded one million, the number of fatalities has ranged from five to 18. The highest number of fatal accidents was recorded in years when the license totals were lowest.

In areas where hunters are most numerous, the accident rate is lowest. Probably because the continual sight and sound of men in the woods keeps a hunter alert and extra cautious.

GUN-SAFETY training, to be required of all persons applying for hunting licenses, is advocated by professional conservationists and by men in the firearms business, among them seasoned sportsmen such as C. V. Bracher of Remington Arms.

Ontario requires every new hunter, under the age of 20, to pass certain tests in safe gun handling.

The tests are strongly recommended for all hunters, regardless of age, which brings up a grim memory. I saw a man die of a bullet wound in the woods 40 years ago.

The bullet was fired by the best deer hunter I ever knew, a man past 60 who had been a camp hunter. He collapsed, went into a decline which ended with his death a year or so later. He had mistaken a man for a deer, and it might be noted that the victim, an Upper Peninsula native, was wearing grey clothing almost the precise shade of a deer's winter coat.

MORE THAN 20 percent of accidental gunshot wounds are

inflicted by the victims themselves. In one third of all recorded gun accidents, shooter and victim were less than 30 feet apart! The situation of greatest peril is when a gun is being loaded or unloaded, or in climbing a fence or getting guns in or out of a boat or car, with teenagers the works risks. Hunters under 18 comprise eight percent of the license holders - and are responsible for 14 percent of the accidents.

The Conservation Department has launched a dramatic project to impress principles of gun safety on youngsters. Conservation officers have been appearing before high school audiences, demonstrating not only safe gun handling, but proper woods-wear for hunters.

Safety lessons, safety tests, certainly are helpful in impressing the need for continuous, concentrated thinking on a vital subject. Not only in the field but in between times, a hunter needs to practice safety thinking.

Cross Country

(continued from page 13)

Wayne Memorial, both perennial WW contenders.

Wayne, which knocked off undefeated Edsel Ford in its previous outing, will be led by Roman Torres who holds his school's record for the two-mile course.

None, however, are counting Cherry Hill's "young team" out of the race. Coach Joe Grasley has a flock of eager sophomores who could surprise that field.

Over in the second race, Garden City West, which handed perennial Class B cross country powerhouse, Riverside, its first defeat in the Tri-River, appears to have gathered the talent to watch.

West, however, will have to expect the "unexpected" from Western Wayne guests Taylor Kennedy and Taylor Center, which in previous years have had the talent to compete for first place.

Teams, are cautioned, that those who miss the starting time will be disqualified and that only seven runners may run from each of the team. No extra runners will be allowed to run the course until after second race.

Millage Approval Urged

DETROIT--The Board of Trustees of the Wayne County Community College District will ask Wayne County voters to approve a two and one-half mill levy for a county-wide community college system, according to Donald M.D. Thurber, of Grosse Pointe, board chairman.

The millage proposal will be submitted at the Nov. 5 election to all Wayne County voters except those residing in the existing Dearborn and Schoolcraft Community College Districts.

Projections indicate that the college will serve as many as 30,000 students within five years.

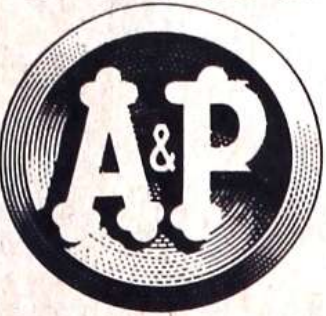

"Once funds are available," Thurber stated, "the college can start quickly. The Board will use every reasonable short-cut to begin classes and to get students into them."

The seven-member board, elected June 10 from districts throughout the county, will have the support of a citizens committee to spearhead the election campaign.

Murray Jackson, of Detroit, has been granted leave of absence as assistant dean of students of Wayne State University to serve as temporary executive secretary to the Board.

"I hope the voters will recognize the urgent educational needs in our county," Jackson said. "Young people and adults alike will find in a community college an opportunity for upgrading and fulfillment. The millage should be regarded as an investment in a better society."

we care

what does A&P stand for?

(Besides The Great Atlantic and Pacific Tea Co., Inc.)

Fairness, honesty, dependability and quality. Our founder established these business guides for A&P over 100 years ago.

It is from this basic foundation that so many of our current-day policies have grown:

Our Raincheck policy, for example, which assures you that you will never miss out on an advertised item.

Our policy of packaging meats, that guarantees that the side you can't see is equal to or better than the side you can see.

Our complete and unconditional guarantee of anything you buy at A&P, no matter who makes it.

Our dedication to quality in the production of our own brands. Quality standards so high that we guarantee any product bearing the A&P Seal is equal to or better than the nationally famous brands.

You can probably sum it up in one word, "CARE." We care about you.

When you think about it... shouldn't A&P be your store?

it's 'Official' in Associated Newspapers

No matter where you live in Western Wayne County, one of the FIVE Associated Newspapers is the official legal publication of your community!

WHAT DOES THIS DESIGNATION MEAN?

TO YOU

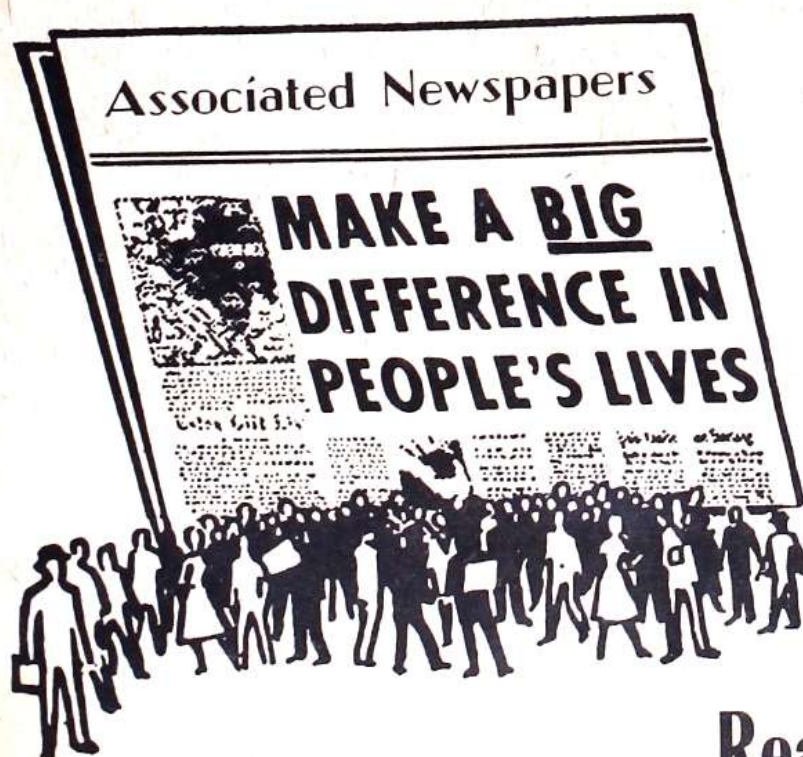

It means that ONLY in an Associated Newspaper can you find the official actions of the various governmental bodies in your community. Western Wayne County is on the move. . . it's a vigorous, progressive area. New zoning ordinances are being approved . . . planning commissions are making decisions that may affect you and your property . . . your city council or township board may pass special assessments. . . changes are being considered in tax procedures. . . election details are vital. It is important you know of these varied actions--many of them affect you and your neighbors. And remember--ONLY in an Associated Newspaper can you read the "Official Proceedings!"

TO US

This means the governmental unit responsible for selecting an official publication in each community has demonstrated deep respect for the Associated Newspapers by awarding them this designation. This has been true not just this year but for many years in most of Western Wayne County areas. We are genuinely appreciative for this expression of confidence!

Call Associated Today PARKway 1-4424

Teacher Night At Haggerty Is A Success

The first public event of the school term, a "Meet the Teacher Night," was an overwhelming success Thursday, Oct. 3, at Haggerty Elementary School as over 300 parents and their children turned out for the evening.

Principal Clyde Batzer and his entire staff were on hand to welcome interested parents and to answer questions. Art work from the various classes added a colorful note to the corridors. Acting as hostesses for the open house were Mrs. Edward

Hudge, Mrs. Thomas Weedon, and Mrs. Allen Kravie. Assisting with coffee and cookies (donated by students' mothers) were Mrs. Edward Koss, Mrs. Keith Brinkerhoff, Mrs. John Mac Dermid, and Mrs. Picknik.

NEW BOSTON — A night of square dancing will be held on Wednesday, Oct. 16, at the New Boston Elementary School from 8 to 10 p.m. Joseph Reed, chairman of sponsoring citizens group and caller, announced.

Dance and learn at the same time invitation is extended to all square dancing enthusiasts. Reed urges those attending to bring neighbors and friends. For further information persons may contact Reed at 697-5664.

Wayne Federal Remodels in Ypsilanti

YPSILANTI — A complete renovation of the Ypsilanti office of Wayne Federal Savings and Loan Association is now under way, announced by A. G. Marriott Jr., president.

The office, located at 123 West Michigan Ave., will be modernized both inside and out, he said. "We are having the front half of the second floor of the three-story building removed in order to improve the customer and lobby areas."

The next exterior front on Michigan Ave. will emphasize a large area of glass which will create an open, spacious feeling for the new lobby. In addition to the entrance on Michigan Avenue, a new rear entrance is being added, making the lobby easily accessible from the city parking lot. Landscaping will enhance the new entrance.

Marriott said the new lobby will have about twice the customer area of the old one and will achieve the feeling of openness because of the two-story high ceiling and new glass front. Wall-to-wall carpeting and new tellers' counters are also included in the redecoration plans, he said. The project, which is expected to be completed in late December, is under the direction of Ypsilanti architects Z. T. Gerganoff and Associates, Inc. Herman E. Atkinson of Ypsilanti is General Contractor.

TOWNSHIP OF HURON ORDINANCE NO. 68-2

AN ORDINANCE TO ESTABLISH A SEWAGE DISPOSAL SYSTEM FOR THE TOWNSHIP OF HURON; TO PROVIDE FOR THE OPERATION, MAINTENANCE, REGULATION AND USE OF THE SAID SYSTEM; ESTABLISHING AND FIXING RATES AND CHARGES FOR THE USE OF SEWAGE DISPOSAL FACILITIES OWNED OR OPERATED BY THE TOWNSHIP OF HURON; PROVIDING FOR ALLOCATION AND USE OF REVENUES DERIVED THEREFROM; MAKING SEWER CONNECTION MANDATORY; PROHIBITING UNAUTHORIZED CONNECTIONS; ESTABLISHING RULES AND REGULATIONS FOR USE OF THE SEWER SYSTEM; AND PROVIDING PENALTIES FOR THE VIOLATION OF THIS ORDINANCE.

WHEREAS, the Township of Huron is a party to a contract with the County of Wayne, by its Board of Public Works, wherein and whereby a system of interceptor sewers and treatment facilities designated as the Flat Rock-Huron Sewage Disposal System will be financed and constructed, under the provisions of Act 185, Public Acts of Michigan, 1957, as amended, and under the provisions of said contract the Township is obligated to make payments to retire 67.348% of the principal and interest on bonds issued to finance a part of the cost of said system, said bond issue being in the total amount of \$1,350,000.00; and

WHEREAS, the Township of Huron has executed a second contract with the County of Wayne, through its Board of Public Works, wherein and whereby a sewer lateral collection system designated as Huron Sewage Disposal System will be financed and constructed under the provisions of said Act 185, and under the provisions of said contract the Township of Huron is obligated to make payments required to retire the entire issue of bonds and interest thereon authorized to pay the cost of said system, in the amount of \$3,140,000.00; and

WHEREAS, to provide the funds necessary to meet its contractual commitments, hereinafter referred to, to operate and maintain the said sewer facilities and to make improvements and extensions thereto as needed, the Township Board of the Township of Huron deems it advisable to charge and collect rates from users of the sewer facilities in amounts estimated to be sufficient together with taxes to be levied for such purposes, to provide said funds, to properly maintain and operate and extend the system and provide for the depreciation thereof, all as authorized by law; and

WHEREAS, establishment of rates and allocation of funds is necessary because of the obligations assumed, and it is desirable to adopt an Ordinance which will be complete relative to the rates established and allocation of revenues therefor;

THE TOWNSHIP OF HURON ORDAINS:

Section 1. In construing this Ordinance, the terms and words hereinafter defined, unless the context clearly establishes otherwise, shall be given the meanings hereinafter set forth:

SEWER SYSTEM. The term "sewer system" shall be construed to mean all sanitary sewers, and all works, instrumentalities and properties used or useful in connection with the collection, treatment and disposal of sewage and industrial wastes, now in existence or hereafter acquired or constructed within the corporate limits of the Township.

SEWER CONTRACTS. The term "sewer contracts" shall be construed to mean the following contracts entered into pursuant to authorization provided in Act 185, Public Acts of Michigan, 1957, as amended, wherein sewer facilities are being acquired, constructed and financed:

1. Contract between the Township, the City of Flat Rock and the County of Wayne, by its Board of Public Works, dated as of September 10, 1968, by the terms of which the Township is obligated to make payments necessary to pay 67.348% of the principal and interest on bonds to be issued to finance part of the cost of the Flat Rock-Huron Sewage Disposal System, as described in the preamble hereto.

2. Contract between the Township and the County of Wayne through its Board of Public Works dated as of the 10th day of September, 1968, by the terms of which the Township is obligated to make payments necessary to retire all principal and interest on bonds to be issued to finance the Huron Sewage Disposal System, as described in the preamble hereto.

SEWER CONTRACTS DEBT RETIREMENT PAYMENTS. The term "Sewer Contracts Debt Retirement Payments" shall be construed to mean the payments required to be made by the Township pursuant to the sewer contracts to pay principal and interest on bonds.

TOWNSHIP. The term "Township" shall be construed to mean the Township of Huron, County of Wayne, Michigan.

TOWNSHIP BOARD. The term "Township Board" shall be construed to mean the Township Board of the Township of Huron, the governing body thereof.

Section 2. The Sewer System shall be operated and maintained on a public utility basis as authorized by law. It is hereby declared to be the intent and purpose of the Township Board to maintain reasonable and uniform rates and charges applicable to various classifications of users so as to provide funds to as far as possible (a) operate and maintain said Sewer System in a reasonable, proper and efficient manner, and (b) make the Sewer Contract Debt Retirement payments as they become due, and (c) provide from time to time for such enlargement and extension of said system as shall appear necessary.

The cost of sewage treatment through the sewage treatment plant facilities of the County of Wayne, and maintenance of interceptors to carry said sewage to the treatment plant, together with trunk and lateral extensions thereto, as established from time to time by rates fixed by the County of Wayne, shall be considered as operation expenses of the Sewage System.

Section 3. The System, as herein defined, shall be and remain under the management, supervision and control of the Township Board or such agency or department of the Township as it may designate, subject to the provisions of the Sewer Contracts in relation thereto. The Township Supervisor, with the approval of the Township Board, may employ such person or persons as may be deemed necessary to carry on the management, maintenance and operation of said System.

Section 4. The Sewer System shall be operated on the basis of a fiscal year beginning on April 1st and ending on March 31st of each year.

Section 5. The rates and charges for the services and benefits provided by the System shall be as prescribed from time to time by the Township Board. The initial rates and charges shall be as follows:

SEWAGE TREATMENT RATES

The charge for sewage disposal to each unit also receiving water service from the Township shall be computed and paid on the basis of one hundred (100%) per cent of the metered water consumption rate as follows:

10,000 gals., or any part thereof (minimum quarterly sewage treatment charge) \$7.00
All over 10,000 gals. per qtr. .20c per 1M gals.
Each unit receiving sewer service but not water service shall be charged a flat rate of \$12.50 per quarter.

DEBT SERVICE CHARGE

The debt service charge shall consist of an interceptor charge and a lateral charge in the amounts of \$200.00

and \$300.00, respectively, per single family residential unit. Debt service charges to premises other than a single family residence shall be in the above amounts multiplied by a factor representing increased sewer use by such premises, based upon the following schedule:

Auto Car Wash (production lines) - 10.00 units per production line.
Auto Car Wash (self-service) - 1.00 unit per stall.
Auto Dealers (new cars) - 1.00 unit plus 0.15 unit per stall.
Barber Shops - 1.00 unit plus 0.10 unit per chair.
Bars (drinks and/or dinners) - 1.00 unit per 600 square feet of building area.
Bowling Alleys (without bar or lunch) - 1.00 units plus 0.10 unit per lane.
Beauty Shops - 1.00 unit plus 0.15 unit per booth.
Churches - 1.00 unit per 600 square feet of building area.
Cleaners - 1.00 unit per 1,000 square feet of building area.
Clinics - 1.00 unit plus 0.50 unit per examining room.
Drug Stores - (with fountain service) - 1.00 unit per 2,000 square feet of building area.
(Drug Stores (without fountain service) - 1.00 unit per 4,000 square feet of building area.
Grocery Stores and Supermarkets - 1.00 unit per 2,000 square feet of building area.
Hospitals - 1.00 unit plus 0.75 unit per bed.
Hospitals (Convalescent Homes) - 1.00 unit plus 0.50 unit per bed.
Hotels and Motels (not including restaurant or bar and without kitchen facilities) - 1.00 unit plus 0.25 unit per bed.
Laundry (self-service) - 1.00 unit per 200 square feet of building area.
Multiple Family Residence (including apartments) - 1.00 unit per dwelling unit.
Office Building - 1.00 unit per 4,000 square feet of building area.
Restaurants (dinners and/or drinks) - 1.00 unit per 600 square feet of building area.
Schools - 1.00 unit plus 1.00 unit per classroom.
Service Station - 1.00 unit plus 0.15 unit per pump.
Snack Bars (Drive-In) - 1.00 unit per 600 square feet of building area plus 0.08 unit per stall.
Stores (other than specifically listed) - 1.00 unit per 4,000 square feet of building area.
Swimming Pool (residential excluded) - 1.00 unit per 2,000 square feet of service building area.
Theaters (Drive-In) - 3.50 unit per acre.
Theaters (inside with air conditioning) - 1.00 unit plus 0.01 unit per seat.
Trailer Parks - 1.00 unit per house trailer space whether occupied or not.

Provided, however, that the minimum Interceptor Charge and Lateral Charge, where applicable, shall be \$200.00 and \$300.00 respectively.

Each premise connecting to the sewer system of the Township shall pay the Interceptor Charge. The Lateral Charge shall be applicable to each premise connecting to any sewer line of the system which line has not either been privately installed and paid for on behalf of said premises or paid for at least in part by special assessment against said premises.

All new construction shall pay the debt service charge in cash at the time of application for a building permit. Existing premises shall have the option of cash payment at the time of application for a tap permit, or payment over a ten (10) year period as a part of the quarterly billing; provided, however, that in the event of deferred payment, the amount of the charge shall be increased one-third (1/3), with the option of pre-payment at the time of any quarterly billing with a twenty-five (25%) per cent discount on the unpaid balance.

CONNECTION CHARGE

The connection charge shall cover the extension of a six (6") inch lead to private property line within 120 feet of a Township sewer, and shall be payable in cash at the time of application for connection. Such charge shall be in the amount of \$250.00 per single family residence connection, if such connection is applied for and payment is received prior to September 1, 1969. Thereafter such charge shall be in the amount of \$300.00 per single family residence connection. Where longer or larger connections are desired, or where property is located on wider streets, expressways, where rail crossings are required, or where special conditions exist, the charge shall be as above set forth plus 120% of the additional added cost.

In the event a subdivider shall make his own connection from sewers which he has installed to an individual house constructed by him, the connection charge will be waived and a \$50.00 inspection fee for each such house will be collected in lieu thereof. In addition to all other charges there shall be a fee in the amount of \$15.00 for inspection of each residential sewer connection, payable at the same time as the connection charge.

SPECIAL RATES

In special instances, when a special rate or charge should be established, such rates and charges shall be fixed by the Township Board.

BILLING

Bills shall be rendered quarterly during each operating or fiscal year along with water bills of the Township and shall represent charges for the quarterly period immediately preceding the date of rendering the bill. Said bills shall become due and payable within fifteen (15) days from the date thereof, and for all bills not paid when due, a penalty of ten per cent (10%) of the amount of such bill shall be added thereto.

ENFORCEMENT

The charges and rates herein specified shall constitute a lien on the property served and benefited, and if not paid within six (6) months after the same are due, the official or officials in charge of the collection thereof shall, prior to September 1st of each year, certify to the Township Supervisor the fact of such delinquency, whereupon such charge shall be entered upon the next tax roll as a charge against such premises and shall be collected and the lien thereof enforced in the same manner as general Township taxes against such premises are collected and the lien thereof enforced: Provided, However, as provided in Section 21, Act 94, Public Acts of Michigan, 1933, as amended, where notice is given that a tenant is responsible for payment, no further sewer service shall be rendered to such premises until a cash deposit of not less than Twenty-Five (\$25.00) Dollars shall have been made as security for the payment of such charges.

Section 6. No free service shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, but service so furnished by the System shall be paid for in accordance with the foregoing schedule of rates, or any revision thereof, in compliance with the provisions of this Ordinance. The Township shall pay from its general funds, or from the proceeds of taxes which it is authorized to levy within constitutional limits, the rates herein set forth, for any connections serving said Township or any of its departments or agencies.

Section 7. The gross revenues of the Sewer System derived from the collection of the rates and charges for the use of the facilities of such systems are hereby ordered to be set aside, as collected, in Security Bank & Trust, a bank duly qualified to do business in Michigan,

in an account to be designated SEWER RECEIVING FUND (hereinafter referred to as the "Receiving Fund"), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the time hereinafter specified:

(A) SEWER OPERATION AND MAINTENANCE FUND (Hereinafter sometimes referred to as the "Operation and Maintenance Fund").

Out of the revenues in the Receiving Fund, beginning with the quarterly period, there shall be first set aside on the first day of each quarter, into a separate depository account designated SEWER OPERATION AND MAINTENANCE FUND, a sum sufficient to provide for the payment of the next succeeding quarter's current expense of administration and operation of the Sewer System, and such current expenses for the maintenance thereof as may be necessary to preserve the same and all facilities thereof in good repair and working order.

The Township Board, prior to the commencement of each operating year, shall adopt a budget covering the foregoing expenses for each year, and such total expenses shall not exceed the total amount specified in said budget, unless approved by a four-fifths (4/5) vote of the members elect of the Township Board.

(B) CONTRACTS PAYMENT FUND.

There shall next be established and maintained a separate depository account designated CONTRACTS PAYMENT FUND, the moneys from time to time on deposit therein to be used solely and only for the purpose of making the Sewer Contracts Debt Retirement payments without preference.

Out of the revenues remaining in the Receiving Fund after provision has been made for current expenses of operation and maintenance of the Sewer System there shall next be set aside on the first day of each quarter into said Contract Payment Fund all the remaining revenues until such time as there are sufficient moneys in said Contracts Payment Fund to pay the Sewer Contracts Debt Retirement payments becoming due and payable prior to the availability of funds from the next ad valorem tax levy.

(C) SURPLUS.

Any moneys remaining in the Receiving Fund after meeting the requirements of the Operation and Maintenance Fund and the Contracts Payment Fund may be used, at the option of the Township Board for (a) advance Sewer Contracts Debt Retirement payments as authorized and provided in the Sewer Contracts, or (b) for the acquisition and construction of additional extensions and improvements to the Sewer System, or the payment of indebtedness incurred therefor, or (c) for any other legal purpose.

Section 8. Moneys in the several funds established by the provisions of this Ordinance may be invested and reinvested as near as may be practicable in United States Government obligations, or with banks insured by the Federal Depository Insurance Corporation. Provided, however, that investment of moneys in the Contracts Payment Fund being accumulated for payment of next maturing Sewer Contracts Debt Retirement payments, shall be limited to United States Government obligations maturing prior to the due date of such payments if invested in United States Government obligations. Interest received from such investments shall remain a part of the fund from which said investments were made.

Section 9. The Township shall cause to be maintained and kept proper books of record and account, in which shall be made full and correct entries of all transactions relating to the Sewer System. Not later than two (2) months after the close of each fiscal year, the Township shall cause to be prepared a statement in reasonable detail showing the cash income and disbursements of the Sewer System at the beginning and close of the fiscal year, and such other information as may be necessary to enable any taxpayer of the Township, user or beneficiary of the services furnished to be fully informed as to all matters pertaining to the fiscal operation of the System during such year. Such annual statement shall be filed in the office of the Township Clerk where it will be open to public inspection. Such books of record and account shall be audited annually by a Certified Public Accountant to be designated by the Township Board and a certified copy of such audit shall be filed with the Township Clerk.

Section 10. All properties to which a public sanitary sewer shall become available shall connect to such sewer within sixty (60) days after the forwarding of notice of the availability of such sewer by the Township Board to the owner or resident at such property. After the expiration of said sixty (60) day period it shall be unlawful for such property to maintain or use a septic tank, cesspool, or any other private means of disposal of sanitary sewage. The Township Board may adopt such further regulations as may be required to carry out the provisions of this section.

Section 11. No connection shall be made or permitted to be made to any sewers of the Sewer System without obtaining the applicable permits referred to in Section 5 of this Ordinance, nor shall any connection be made or permitted to be made to any of the sanitary sewers of the Sewer System which will in any way cause storm water or surface drainage to be carried into said sanitary sewers. Application for permit to connect to any of the sewer mains of the Sewer System shall be made simultaneously with application for building permit.

Section 12. Any person, firm or corporation violating the provisions of this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be fined in an amount not exceeding One Hundred (\$100.00) Dollars for each violation, or by imprisonment for not exceeding ninety (90) days, or by both fine and imprisonment in the discretion of the Court. Each day in which any such violation shall continue shall be deemed a separate offense.

Section 13. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 14. Any Ordinance or parts of Ordinances in conflict with the provisions of this Ordinance are hereby repealed and rescinded.

Section 15. This Ordinance shall be recorded in the minutes of the meeting of the Township Board at which it was adopted as soon as practicable after its passage, which record shall be authenticated by the signatures of the Township Supervisor and Township Clerk, and shall be published once in a newspaper of general circulation in said Township, within two (2) weeks after its passage.

Section 16. This Ordinance shall become effective thirty (30) days after its publication.

I hereby certify that the foregoing constitutes a true and complete copy of Ordinance No. 68-2 duly adopted by the Township Board of the Township of Huron at a Recessed Regular Meeting held on Oct. 2nd, 1968, at which all Members were present except Raker.

I further certify that Member Wilson moved adoption of said Ordinance, and that Member Krause supported said motion.

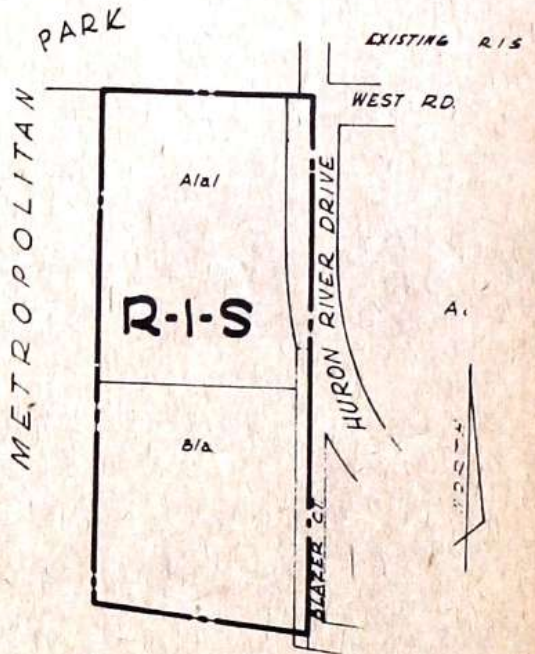

I further certify that the following Members voted for adoption of said Ordinance: Angel, Bragenzer, Carey, Krause, Kreyger, Wilson and that the following Members voted against adoption of said Ordinance: None.

I further certify that said Ordinance has been recorded in the Ordinance Book of the Township and that such recording has been authenticated by the signatures of the Supervisor and Township Clerk.

WILMA J. WILSON,
Township Clerk

Michigan Nurses to Hold State Convention

LANSING — The Michigan Nurses Association, the professional association for registered nurses in the state, will convene its 61st Annual State Convention Oct. 28 - Nov. 1, at the Sheraton-Cadillac Hotel, Detroit.

Theme for the five-day event will be "Nursing's Quest for

Excellence," a challenge for professional nurses to promote high quality patient care and nursing practices.

Reacting to the theme will be several distinguished speakers, three of whom bring a wealth of experience to the convention.

Jessie M. Scott, R.N., Director, Division of Nursing, Bureau of Health Manpower, Department of Health, Education and Welfare, U.S. Public Health Service, Arlington, Va., will speak on "Nursing's Quest for Excellence," Wednesday, Oct. 30.

Thursday, Oct. 31, Mary F. Liston, R.N., Ed.D., Dean, School of Nursing, The Catholic University of America, Wash., D.C., will discuss "Excellence in Nursing Care."

The immediate past president of the American Nurses' Association, Jo Eleanor Elliott, R.N., Director, Nursing Programs, Western Interstate Commission for Higher Education, Boulder, Colorado, will present "Excellence in Nursing — It's Up To You," Friday, Nov. 1.

Organized in 1904 and incorporated in 1924, MNA, a constituent of the American Nurses' Association, is the only organization which speaks for all professional registered nurses in Michigan.

Approximately 8,000 R.N.'s in 47 district nurses associations comprise the MNA membership.

MNA anticipates over 1,500 R.N.'s and nursing students will attend the five-day session in Detroit.

The Miami tribe of Indians practiced tattooing.
